(As soon after arrival as possible.)

I therefore recommend that the said child be enrolled in this school.

This 12 day of October, 1917

Edw. J. Mungel
School Physician.

SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a nonreservation school. The Superintendent of the nonreservation school will retain the original for his files, and the duplicate shall be deposited in the reservation school records. The reservation superintendent should send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

If the information called for on any part of the blank is not known, that fact should be stated. No space should be left unfilled. Whether the parents are living or dead, their names must be given.

The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

Compliance must be given to all orders and instructions which have been promulgated in connection with the new course of study issued December 1, 1915.

The information as to public school facilities called for in the certificate of the Superintendent (third page hereof) must be given, and all superintendents are especially directed to exhaust every means to secure enrollment of Indian children in the State public schools, pursuant to instructions heretofore issued in this regard.

Dear Mr. Francis:

Referring to the additional sum of \$35.00 each requested by Emily Bresette and Mary Greely in your letter of May 23rd, to be used to buy clothing and to pay their incidental expenses home, -check for \$75.00 drawn for Emily Bresette was mailed to your Office on the 25th instant, and this no doubt will be sufficient to meet all her requirements.

As Mary's mother, Margaret Greely, furnishes the money for her daughter's needs, if she will write direct to Mrs. Greely at Odanah and ask for the additional \$35.00, besides the \$55.86 transmitted to your hands today by the mother for the daughter's vacation expenses, I think very likely that the mother will grant her request. This Office would be ready to approve such check against the mother's account.

Very truly yours,

Supt. & Spl. Disb. Agent.

Dear Mr. Francis:

Margaret Greely and Eli Lemieux, her husband,
called upon me this morning in relation to the return home
during the summer vacation of Mary Greely, the daughter of
Margaret, and a Carlisle pupil; also the son of Eli Lemieux,
who I think is enrolled at Carlisle under the name of Mayotte.
Mrs. Greely has signed the vacation request blank and same
is returned herewith, together with check drawn to your or-
der under Par. 9A for \$55.86, required as prepayment of Mary's
round trip expenses.

Eli Lemieux will forward his signed request blank
direct to you, together with check to pay the boy's expenses, --
at least he was instructed to do this today inasmuch as he
was paid something over \$150.00 only a few days since. As he
did not express his inability to meet the boy's expenses him-
self, and as the instructions not to draw on the children's
funds where the parents have money of their own is well known
to your Office, I assume that Mr. Lemieux will arrange directly
for the round trip expenses of his boy.

Yours very truly,
