INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Dear Madam:-

Relative to your letter requesting the return home of Russell King, a pupil of this school, I have to say that there will be no objection to his going home to spend his vacation, provided you deposit with the school funds enough to pay his fare home and to pay for his return in September. I enclose a Vacation Request blank which you can fill out and return to me. You probably understand that none of the pupils will be allowed to go home until after Commencement which takes place the latter part of May. The home party will leave about June 1st.

I want you to know that Russell is making a very good record at this school. I am glad to know that he likes it here too.

Very truly yours

Just what are the conditions, parents, or gaurdians must comply with, in oder to have students, return home for the summer vacation? I would like Russell King, home for his vacation, and would like to know soon. as I would not be able to get ready on, to, short notice.

VACATION REQUEST FOR PUPIL.

We, the undersigned, respectfully request that leave of absence be granted Russell S. King from June to Sept. to enable him to visit his home. We hereby agree to pay all expenses, including round-trip railroad fares, sleeping-car fares, meals, lodging, stage fares, telegraph and telephone messages, and other incidental expenses connected with the visit. We further agree that said pupil shall be returned to the Carlisle school on or before the last day of the leave of absence. We further agree to deposit with the superintendent of the school sufficient money to defray all expenses to be incurred, and should the pupils, or any one of them, fail to return to school at such time as may be agreed upon by the parents or guardian and the superintendent of the school in which the pupils are enrolled, the amount of money remaining with the superintendent, necessary to the return transportation of the pupil or pupils so neglecting to return, shall be forfeited to the Government; provided, however, that in all cases where it can be shown that there were justifiable reasons for the failure of the return of the pupil the forfeiture of the funds shall not take place.

If the pupil neglecting to return is from a reservation, the superintendent of the reservation shall certify to the reasons for the nonreturn of the pupil or pupils. If a pupil's home is not on a reservation, then the certificate of some reputable, disinterested citizen of the community may be requested as to the reasons for the nonreturn of the pupil or pupils.

Supt. John Francis Jr.

Dear Sir: — I have been troubled for some time, since my arrival home with the question "Will I be allowed to return in the fall." It is my earnest desire that I be allowed that privilege for this is my Senior year and I have been working toward that for two years and now I realize it is possible that my goal may not be attained. My brother went into the service a few day after I arrived home, that is my reason for leaving in such a manner and I now ask your pardon

I have been working steady since the 15th of June, and had been preparing to return. I am supporting myself and doing my best, and I promise to do the same if I am allowed by your word to come back to old "Carlisle."
Hoping to receive an affirmative answer, and could you give me any information about the proposed raise in the course of study. Sincerely,

My dear Mr. Peel:

Having received information that Carlisle is to be turned into a hospital I would like to receive some information from you regarding what is to be done with Cadhiled students, and when the outgoing students are to be called in. If the students are allowed a farewell social I would like to be there and meet my friends once more, before they scatter over the country. Especially my classmates of the Junior year. When I left Carlisle I had not rounded out my final mark in English. I would be very much pleased if you found

out and told me. Perhaps it would be of interest to you to know that Tiro Carlisle Sorge joined the Marines a few days ago. Namely Clifford Halftown, and Geo. Watson, Jos. Goodchild and Dana Blood also came up here and joined. Another thing that is worrying me is my Trunk, which I left there, and Mr. Denny has it now. I wrote to him about it but got no answer. I have some things of value to me in it, and would like to know how I may get it. Hoping you the best of luck, I am

Mr. Denny has your trunk just as you left it and as soon as he has it brought to the office, I will ship it to you by express, charges collect.

We are arranging to transfer our pupils who are on the roll to other schools in the west but no provision has been made for deserters. If they wish to continue their schooling, they will have to look out for that themselves. The New York children, like you who have access to public schools, will be sent to their homes provided their parents agree to send them to these schools.
