Muskogee, Okla.

My dear Mr. Wyly:

I am in receipt of your letter of June 8, 1918,
regarding the return home for a summer vacation
of Tip Duke.

In response you are advised that so many students
have been permitted to return home that we are
now down to the number necessary to keep the plant
running during the harvest season, for which rea-
son no further leave will be granted for the next
three weeks or month. After the harvest is over,
if it so desired by parents, pupils may be per-
mitted to return home.

Sincerely yours,

JF-E

Supt. John Francis, Jr.,
U.S. Indian School,
Carlisle, Pa.

Dear Mr. Francis:

Referring to your letter of May 10, concerning a request from Lankford Duke that his brother Tip be permitted to come home for the summer vacation, this matter was referred to the Field Clerk of the district for a report and I have just received a letter from him. He states that the home conditions are good and recommends that permission be given Tip to return home for the summer.

I have advised the guardian it will be necessary for him to deposit enough money to pay Tip's expenses in coming home and returning to Carlisle, but since he was advised of this amount I understand that the rates will be increased on the 10th instant and I am again writing him about the matter. If the necessary deposit is made and Tip's record has been good I respectfully recommend that he be permitted to spend the summer at home.

Very truly yours,

A. S. Wiley
Supervisor.

The reservation superintendent should send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

If the information called for on any part of the blank is not known, that fact should be stated. No space should be left unfilled. Whether the parents are living or dead, their names must be given.

The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.
