Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Mr. Joe LeNoir,

Minnewaukan, North Dakota.

My dear Sir:

Your letter of the 20th instant, relative to the expenses that have to be incurred if your daughter Lucy is to return home for the summer months, has been received and it is noted that you are not in a position at this time to deposit the cost of round-trip expenses as is required by Office Regulations. In view of that fact it can probably not be arranged to comply with your request that her return home be allowed.

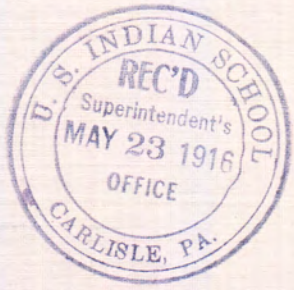

Allow me to explain further that Lucy will be provided with a ticket for her use to go home when her five year period of enrolment terminates in June of 1918. Her return home prior to that date will have to be at your own expense for transportation. Assuring you, however, that I will gladly cooperate with you to do what will be recommended by Superintendent Craige if the required amount for transportation is deposited, I remain,

Very truly yours,

HKM. Superintendent.

Carlisle, Pa.

Dear Sir:

I have taken up the matter of having my daughter Lucy LeNoir come home to visit for the summer vacation, with Supt. Craigue of Belcourt, Turtle Mountains, N. D., as suggested in your letter received recently.

Have just received a letter from Mr. Craigue in this matter and he suggests that I would probably have to deposit about $100.00 to cover the expenses of her travelling from the school and for return trip at the end of the vacation.

Now I wish to state that I am unable to do this, but think I can put up a deposit of about $40.00 and after threshing this fall I might be able to pay a little more, but it is a pretty hard matter for us to raise a large amount of cash at this time of the year.

I have always believed the Government would pay the travelling expenses for children going and coming to and from school and was not prepared for this.

Hoping that we can make the arrangements for her to make us a short visit, and will be pleased to hear from you in this matter, I beg to remain,

Yours very truly,

My dear Sir:

Your letter of the 6th instant was received here this morning and I have noted that you are anxious to have your daughter Lucy at home for the summer vacation months on account of the illness of a younger daughter. In reply to your letter I must state that we have good and sufficient reasons to believe that Lucy has been urging you to make such a request, so it is desired that you refer the matter to Superintendent Craige. Just as soon as a recommendation in the premises is placed on file with me by the Superintendent further consideration will be given your request.
