The reservation superintendent should send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

Compliance must be given to all orders and instructions which have been promulgated in connection with the new course of study issued December 1, 1915.

The information as to public school facilities called for in the certificate of the Superintendent (third page hereof) must be given, and all superintendents are especially directed to exhaust every means to secure enrollment of Indian children in the State public schools, pursuant to instructions heretofore issued in this regard.

Dear Sir:

Emily Bresette and Mary Greely, who are planning to go home to spend their vacation this coming summer, have asked me to write you for Thirty-Five Dollars each in addition to the amount you are to send for their railroad fares.. Mr. John Francis Jr. Supt.

Dear Sir,

It will be impossible for me to meet with Leonard or Emily on their return home, but as Leonard has come home alone twice all the way from Carlisle, he will be all right, and if you could allow him to come with Emily on the 7th I will be very glad, otherwise I would be real worried to have her travel alone, and I hope you will

arrange it so they can
travel together.
Mr. Brickell says he sent
Leonard a check for $50.00
to buy what he needs, and
Emily $75.00 for her fare
home and return in the
fall and the balance
to let her buy what ever
she may need, and her
expenses on the way.
I hope they will be very
careful with their money
and buy only what they
really need. Thanking you
for your letter I am respectfully

Mr. J. Francis, Jr.,
Supt., U.S. Indian School,

Dear Mr. Francis:

Your letter of March 7th states that you are enclosing for my advice and recommendation a letter received by you from the mother of Leonard and Emily Bresette, in which she asks that the children be sent home during the coming vacation. The letter from the mother, however, was not submitted, but inasmuch as it has been the custom to allow most of the Odanah children at your school to come home for vacation, and as some have already been recommended for the privilege, it would not be advisable to make any exception in Mrs. Bresette's case.

Both pupils have funds with which to meet their round-trip expenses, and while I do not favor the annual return home of these children as an economic proposition,-if for no other reason,-yet it has been found a difficult matter to explain in an adequate way to the parents any reason for contrary action.

I have no objection to the Bresette children being allowed to come home this summer as formerly.

Yours very truly,

J. Francis
