INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case but in all cases where the parents are living they should first be consulted.

Mrs. Electa Kelly,
West De Pere, Wisconsin.

My dear Madam:

When our music teacher was seen at this office yesterday about the request that is contained in your letter of the 10th instant she stated that your daughter has spoken to her about beginning the study of music and that it can probably be arranged soon to carry out your wishes.

For the past two years it was the requirement here that 25 cents per lesson be paid by those students who were given instruction in piano music. That arrangement will be continued this year, so if you can arrange to place an amount of \$5.00 to the credit of your daughter in our school bank the charges for lessons and the necessary books can be paid as they are incurred.

Trusting we can do for your daughter what you so kindly anticipate, I am,

Very truly yours,

HKM.

Supt. Francis -
Esteemed Sir -

Just received thy letter
in regard to Helen Kelly.
At present I am planning to
-close my home this summer
and stay away till about
middle of August. Had
wanted to talk to Miss Thurston
about Helen before deciding.

She has done good work at school this
year and would like to have her
stay till she graduates here in High
school if Carlisle is willing. Would it be
possible for Helen to stay at Carlisle
while I am away. She could learn
more about cooking and sewing -
If she goes to some home am afraid I
will not have the same sweet pure girl
she now is - A little while at school
she will learn much good and no
bad. Of course it is hard to say
what one will ^{do} but these are my
plans now - Hoping the thought
fervently of them must keep

Supt. Carlisle Industrial;

Esteemed Sir -

I know the school has
disbanded but thought someone
was still there so write to ask
about Helen Kelly's money.
She had some at the school when
she came to live with me and then
there is the money I have returned.
Should like to have Helen invest
her money in War Saving Stamps

Helen seems well and happy and
hope there will be no reason why they
call her home - A letter from Herman
asks her if she wants to go West to say
goodbye to him; but think she has now
decided it would be wrong to go out of
school.

I trust may soon hear from
the school in regard to Helen's money -
Thanking you for past kindness -
Most Resp -
Mary E. May -
