INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

Dear Sir:

On October 3rd last, I transmitted the application of Mary Abrams for the entrance of her son Monroe Abrams to the United States Indian School at Carlisle. On the 5th of October last you acknowledged receipt of the application but were unable to accept the pupil for the reason that he was not of age. He was born in November 1903 and is now past the required age.

Would it be possible for you to accept Monroe for enrollment at this time?

Respectfully yours,

Dear Madam:

As you may have heard, the Carlisle School will be closed September 1st, and all its pupils transferred to Western Schools. Your son, Monroe, does not wish to be transferred and prefers to attend public school at home. I will arrange to send him to you tomorrow, Thursday evening, if you can arrange to meet him at Olean on Friday. The Government will pay his transportation home.

Very truly yours,

Dear Madam:- I have your request to have your son Monroe return to you for the summer. It is not customary for us to allow pupils who have been here such a short time as your son has been, to go home on leave. He is getting along nicely and has just become accustomed to the place so that he seems happy and contented. I think it would be a mistake to take him away at this time. I know that you would like to see your boy but outside of that it seems best that he remain here as long as he is well and happy.

Very truly yours

Superintendent.
