That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

Care W. H. Buck
Palmyra, N.J.

My dear Mamie:-

I have given yours and George's request very careful and thoughtful consideration and have decided that taking all things into consideration, it would be best to postpone your marriage for the present.

Your mother's withdrawal of her consent to your marriage, really is the deciding factor. I cannot do anything for you without her consent.

In my heart, Mamie, I think you would be much better off in the years to come if you would continue in school now and while you have the chance, get all the education you can. You will never regret it. There is time enough to think about marriage when you are older.

I hope that you will understand that this decision has been made with your best interests in view and I think some day you will be thankful that we have decided other than according to your wish.

Very truly yours

Mrs. Sarah H. Cornelius,
R. F. D. #2,
West De Pere, Wis.

Dear madam:

Several days ago I received a letter from George May, one of our pupils who has joined the Army, asking my consent to his marrying your daughter Mamie. I wrote to Mamie and asked her to write me what her wishes were in this matter. I have just received a letter from her saying that she is willing to marry George, provided your consent can be obtained. *green*

George has been a pupil here since 1914 and during that time has had a good record.

His wish in wanting to marry Mamie at this time is, as I understand it, so that he can provide for her future should anything happen to him during this war.

I presume Mamie has written you more fully about this matter and that you already know what her wishes are. However I would like to hear from you personally before writing further to these two young people.

Very truly yours,

Mr. John Francis Jr.

Dear Mr. Francis:—

I wish to tell you that I have expressed my willingness in marrying George May, as he has already enlisted we have been thinking upon this seriously.

As to whether this shall come to pass, with your consent and Mother's before or after the war as there is a lot to consider at this time which would be best for the future.

I remain, truly yours,
Mamie Green.

Dear Manie:-

I have a letter from George May asking my consent to his marrying you and telling me that you have expressed your willingness to do this. Will you write me and let me know what your wishes are so that I may take the matter up with your mother. As you know, I cannot make any decision until I write to your mother and find out what her wish is.

You are old enough to realize that you are about to decide upon the most important thing in your life and I hope that you will not make any rash decision but think upon this seriously and then write me.

Very truly yours
