Mr. Lucius Hill,

Green Bay, Wisconsin.

My dear Sir:

I regret very much there is necessity to inform you that your daughter Cecelia has had to go to our Hospital and that a statement as is copied below has had to be issued this morning by our school physician:

"Kindly communicate with the parents of Cecelia Hill and let them know that their daughter is sick with an acute attack of appendicitis. She is apparently doing nicely, but it is difficult to foretell at what moment surgical intervention may become necessary. It is my opinion, however, that she will recover from the present attack without the necessity of surgical interference. Kindly obtain permission from the parents to operate in case the necessity should at any time arise."

Although it is the physician's belief that the present attack can be cured without resorting to an operation it is a difficult matter to tell how soon such surgical treatment will become necessary and so it is desired that you give your consent in writing to an operation if it is decided that such aid must be given. Please let me hear from you soon.

Very respectfully,

HKM.

Superintendent.

Supt. O. H. Lipps,
Carlisle, Pa.

Dear Mr. Lipps:

Referring to your letter to Mr. Hill with reference to Cecelia, I do not know whether or not he has written you about the matter, but he states that he is willing to have you operate her for appendicitis if you find it necessary.

Inga King was in today and states that my record of her birth is correct and that she is past 21. The ticket agent informs me that a ticket has been placed for her, but, as stated, I do not wish to have her use it if it will affect your accounts, and I do not know of any way in which she can repay you, if it is found necessary for her to pay her own way. I think the Peterson girls are ready, and the Office consents to their transfer. I intended to send them with Inga, if necessary taking them as far as Chicago, as before, if that is permissible, and does not complicate your accounts. Please advise me as to both Inga and the Petersons.

Very sincerely yours,

J. B. Hart
Superintendent.

Dear Sir:-

Your daughter Cecilia, has had some trouble with her teeth and the dentist estimates that it will take about \$8.75 to have them fixed. Cecilia has no money here with which to have this done. She would appreciate it if you could send her this amount. You can send the check to me, making it payable to me as superintendent.

Very truly yours
