Dear Sir:

Matilda Kinepoway who was enrolled here a few weeks ago from your agency has been having much trouble with her teeth. I have had the dentist examine her teeth and have asked him to give an estimate of the amount which it would take to put them in good condition. He reports that it will take about \$11.00.

If you have any funds belonging to Matilda, or can get money from her father, will you please send me a check for the amount named as soon as possible so that we can give the poor girl some relief.

Very truly yours,

Dear Sir:--I have your letter asking for the return home of your daughter, saying that Mr. Allen had placed \$53.46 to her credit here to pay her transportation expenses. The money is here but I am waiting to hear from Mr. Allen as to whether it is really necessary for Matilda to go home this year. I have told him that she was allowed to go home last summer although she had been at the school then a very short time and I could not see the necessity of her going again this summer. While times are so hard due to the war, it seems to me the money could be used some other way to much better advantage. However, I will await Mr. Allen's advice.
