INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Mr. O. H. Lipps,

Acting Superintendent, U. S. Indian School,

Carlisle, Pa.

Dear Sir:-

I have been asked to write you concerning Clifford Halftown whose application for enrollment at Carlisle is enclosed herewith.

Clifford was enrolled at Thomas Indian School from November 1903 to July 1913. During the time of his enrollment here he was considered a good boy. He went home for vacation in July 1913 and did not return. Since that time he has attended school little, if any, and, since he has not had a good home, he has been free to roam at will. He now realizes the importance of attending school and wishes to be enrolled at your school. I feel that removal from Reservation associations will result in good for him and I trust you may see fit to give him a trial at Carlisle.

Very truly yours,

Dear Sir:-

I called at the Penna. Depot at Irving for Clifford Halftown's ticket, your request was there but the agent was out of tickets but will have it in a day or two. and as soon as it comes I will send Clifford right on. He will be in Carlisle by Saturday at the latest. if not before.

Mr. Lipps, Clifford is

is a good boy, has a kind disposition, and is anxious to make good, with your help I hope he will like Carlisle and be contented.

But if he should desert the school, let me know at once and I will send him right back, I do not think he will run away not unless some one influenced him. If he should get sick, also let me know.

My wife has two brothers at Carlisle just entered this fall, Victor and Josephus Seneca, how are they, I sincerely hope they are pleased with the Institution.

Another thing I would like to know it is about Jacob Jamerson, I have been interested in his welfare, and it was through me that he went to Carlisle, he came home on a visit and returned to Carlisle again. In less then a week he came back, I asked him why he came back but I could not get an answer from him. His excuse was that his adopted parents are getting so old now they wanted his help. They did not know he was coming home, they were just as much surprised as the rest of us. He has left them and was gone

a week before we knew where he was.

Would be pleased to hear from you at any time and to learn what progress the boys mentioned are making.

Yours very Truly
Charles Kennedy.

Mr. Charles Kennedy,

Dear Friend:

In reply to your letter of October 20th, I have to advise that Clifford Halftown arrived at this school on October 22nd. I assure you that he will be well taken care of, and should he become ill at any time you will be notified.

In regard to the Seneca boys, I have to advise that Victor had an attack of quinsy sometime ago, but the doctor reports that he has been dismissed from the hospital and is very well now. Jacob Jimerson was given permission to go home to help his old graddparents, who he claimed were in want and needed his aid. I hope he is making himself useful.

With best wishes, I am,

Your friend,

My dear Sir:

When Clifford Halftown was seen at this office this morning in regard to the disposition of the amount of $76.82 which is to his credit at the Agency under your jurisdiction and about which you wrote me in your favor of December the 31st he stated that he does not want to spend the money except in small amounts. For that reason he desires to have but $25.00 placed to his credit here at this time. He will have the privilege of drawing monthly on that amount and an effort can be made to make it reach thruout the many months he desires it shall cover.

It is my recommendation, therefore, that you send to me $25.00 of Clifford's money to be deposited to his credit in our school bank.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Madam:-

I am in receipt of your letter asking that your son Clifford be allowed to return home this coming summer so that he may help support you. I am not ready now to make any decision relative to the pupils' going home to spend the summer vacation. It is going to be largely discouraged but I am not yet prepared to say to what extent.

You can write me again nearer the time for the close of school.

Very truly yours
