Mr. C H Lipps

Supt Indian School
Carlisle Pa.

Dear Mr. Lipps

I have received your
letter and was very glad to know
that I can come there to school.

Yes I am intending to pay
my transportation over there.

I do not know just what date I will start from here but I will drop you a card two or three days before I start. I appreciate very much for all your kindness to me. You said in your letter that I will hear from Supt Mr. Crane but I have not heard from him yet.

Will any of you can meet

me at the depot?

Your friend

Dollie Moran.

Sept. 3rd, 1915.

Mr. Foalk:

Dollie Moran, a Hopi girl, has wired that she will arrive in Harrisburg tonight in time to come to Carlisle on the train due here at 10.12. You will please arrange, therefore, to meet the girl with a school conveyance and to bring her to the Girls' Quarters here.

If the girl is not on the train due here at 10.12 you will arrange to meet the train due at 11.32 tonight.

Very respectfully,

HKM.

Superintendent.
