Miss Christine Metoxen  
1706 Summer St. Phila., Pa.

Dear Christine,-

I have been so busy I did not acknowledge your first note. Now about all the pupils have gone with the exception of the Maine Camp boys who will not be back here until after Labor Day. It has meant a lot of work for us all to get the pupils off but, so far we have had no serious mishaps.

I am sending you the Five by check, marked good.

In haste

Aug. 25, 1918,

My dear Mrs Heming

I arrived in Phila. all right and had little trouble in getting a room. I have been going to the Y. M. C. A. for my meals until this morning for I did not get up until rather late, so I breakfasted on some fruit that I bought yesterday.

This being Sunday I simply don't know how to amuse myself, being alone for the first time.

I start to work on Monday, lucky that I am just one block from

August 30, 1918.

Philb., Pa.

My dear Mrs Demney;

This is Christina again, I have been fortunate lately by meeting Mr. Paul Baldeagle, a person whom I have always wanted to meet as he seems to be interested in about the same things, especially in education.

My work is growing more pleasant every day as I become better acquainted with affairs about the place. However I was shifted about

the first few days, but now my hours are from seven to three in the afternoon. Looks as if I will have to go to night school.

Yesterday as soon as I left the Office building I went to Collingswood to see my dear friends, Mr. & Mrs. Berry, whom I first lived with in the summer of 1913., I hadn't intended to stay over night but Mrs. Berry insisted that I stay until Mr. came home. It certainly was a surprise to them.

On my way to supper this evening I met Mr. Christman

but since his train was there I didn't have much time to say anything to him. Thus my blues are fast fading away.

Today is payday but since I haven't been there a week I will have to wait until next week. This is the reason I am writing to you because I have not enough to pay for my room and board for the following week. On my arrival I paid for my room as we are requested to do at the beginning of the week.

Now I wanted to know if you would kindly lend me about five dollars and cents, as soon as I get my pay next week, send back your money.

No doubt Kankakee is now a very exciting place and yet at the same time a sad place. However I am glad you people are going to remain, so we homeless Indians here in the City will feel that we still have very dear friends near us. With every sincere wish for the future,  
Yours, Christine Metopen.

CARLISLE, PA.

3718 Walnut St., Philadelphia, Pa.,  
June 23-1918.

Mr. John Francis J.,  
Supt. Indian School,  
Carlisle, Pa.

Dear Mr. Francis: -

On Saturday I visited Christine Metzger in regard to the Atlantic City proposition. Christine has made inquiries and had at hand the enclosed information. Will you look it over and let me know your opinion.

I would suggest that we allow Christine to go to the Chalfonte for the following reasons: - She is restless - tired of cooking and house work - not settled in her plans for fuel - does not want anything I have to offer her in the way of a shore home. She is a graduate of high school and has an excellent record - entirely reliable in character - and surely should now be able to care for herself. I told her I could appreciate the fact that she was tired of housework since she has stuck closely to it for five years going thru to school.

Mrs. Chrusman favors letting Christine go to the Chalfonte. She says Christine is slow but competition there with the other waitresses may be the very best thing for Christine. Christine is willing that a part of her wages should be sent to the school for banking the same as heretofore. If you think it advisable I could go to Atlantic City and have an interview with the manager of the Leeds B. Christine can remain with Mrs. Chrusman until she makes a change. Very respectfully Lida M. Linscott.

Miss Christine Metoxen  
West Chester, Pa.

My dear Christine:-

I was glad to get your nice letter last week. I attended to the money request at once as I thought that was the most important item for you. I thought you would be willing to wait over Sunday for my answer to your letter.

You surely must have busy times in school now. My experience in school is that the Junior days were the busiest and hardest of my school days. There are a lot of pleasures connected with the Senior year which seemed to make the work of that year easy. Then of course, there is the looking forward to the end which is a pleasure too. I think the last year will be a very short and happy one for you.

Miss Johnston and I are always planning for our High School and Normal girls and I am wondering what your summer plans are. Do you expect to make Carlisle a visit again? Our outing period is to be short this summer but while it lasts, there will be many placed out. It has been a hard year for our pupils because of the new course of study and I think all will be glad to get out for a complete change from the school work. Wishing you continued success, I am  
Sincerely your friend

West Chester High School  
WEST CHESTER, PA.

March 22, 1917.

My dear Mrs. Henney;

I had the pleasure of meeting a member of your tribe this morning a Mr. Queroad, he gave a very interesting talk to the students of the High School today, and I am sure that everyone enjoyed it very much.

My lessons of late have been much longer than usual, nearly everyone requires reference work in the library, the only spare time I have now is at noons just after lunch which is about thirty minutes

Next month on the twentieth the Juniors and Seniors are to write their Dowling Prize Essays, we are given five weeks to prepare for this essay and each class has its own subject, our subject is about the territorial expansion of the United States dating back to the purchase of the Louisiana territory to the late purchase of the Spanish West Indies, the senior subject is on preparedness. To write this essay we have from nine o'clock to twelve, it first must be written on tablet paper then copied all in one morning, we are to have not less than twelve hundred words and not more than twenty-four hundred, all I have to say is that, there is no danger of me getting beyond twenty-four hundred, I doubt whether I can make twelve hundred, nevertheless I will try, there are two prizes one for each class.

On the ninth of this month we Juniors gave a reception in honor of the Senior class, this affair was given in the New Century club house, every Junior member was present but sorry that all the Seniors were not able to come. The first part of the evening was spent in getting acquainted, next a short play was given, then came the refreshments enjoyed by all very much, then last of all was the dance. The whole evening passed before we could realize it.

We have had one school social so far  
and the next one will be on the 13<sup>th</sup> of  
April to be given at the same club house.  
so I am writing to you because I wanted to  
know if I may please draw six dollars  
from my account to pay for my school  
expenses.

Mrs. Chrisman has just returned from  
Detroit, she left here about three weeks ago  
on account of her daughter's illness, who  
is now living there.

Will now close wishing you good-  
luck in all your undertakings to do.

Your friend as ever,

Christine Metzger

Miss Christine Metoxen

Dear friend:-

Your last report as given to me by Miss  
Johnston is as follows:

English	77
Latin	75
Mathematics	70
English History	78
Drawing	92
French	77

You have been one of our outing girls attending High School upon whom we have looked with a great deal of pride and it is a little disappointing to get a report which is nearly all in the 70's. I presume you are the only Indian girl in your class. If all goes well, you will be the first Indian to graduate from the West Chester High. For this reason there will be more people interested in you than you think

You want to study hard and not be contented with just passing and getting through but you want to be one of the best in the class so your many friends will be proud of you. Can you not apply yourself a little harder and make your next report a whole lot better ?

I am glad to see your good mark in drawing.

With my regards to you, I am  
Very truly yours

Superintendent.

Miss Johnston 3 435 West Meier St.  
4 West Chester Pa.

My dear Mrs. Denny;

This is Christmas writing again  
for a favor, this time I want to  
know if Mr. Francis would allow  
me to go to Atlantic City for the  
summer, to work in one of the  
large hotels there. Several of the  
girls from my class are planning  
to go for the vacation months.

I haven't said anything of it to Mrs.  
Chickman yet for fear you people  
would not permit me to do such a  
thing. If you do not approve I  
would rather go back to Carlisle  
until I decide further what I  
intend to do. The reason why

I want to go to a hotel is because I am getting tired of doing housework and would certainly enjoy a change of work.

I was indeed sorry Miss Johnston could not attend my graduation exercises, I invited six of the Indian girls, the first who attend High and Sara Fowler. Gave my other tickets to Charlotte. I would have liked to have been at Carlisle for the like occasion there.

Our garden is doing fine, we have had peas twice already, Mrs. Christians also has put up several cans of peas, cherries and strawberries and I guess shall do several more before the summer is over.

Remember me to Carlisle  
As ever your friend  
Christina M. Stucky.

Mrs. Chas. Chrisman

Dear Madam:- I have a letter from Christine saying that as her plans for the summer have not materialized, she has now decided to return to Carlisle. This will be satisfactory to us and I will expect her here either Friday or Saturday as her letter states.

Very truly yours

Dear Mr. Francis;

I am still here at Chriesman's as we have not received any word from Atlantic City. I had wanted to spend the months of July and August at the Chalfante but since July is nearly gone by; I have decided to return to Carlisle and stay until August.

I have other plans that I think would be better for me to talk it over with your people later.

Would it suit you if I come to Carlisle on this Friday or Saturday, the 19<sup>th</sup> or 20<sup>th</sup>?

Miss Johnston called up yesterday about a house she had found but I'd rather return to Carlisle than to do any more house-work.

I asked her about when to come back to Carlisle and she told me to write and make plans with you.

I am in good health but still have a little trouble with my hands.
