The REPORT BOOK

Containing the reports of

Benj. C. Wilderhant
7th Grade

FOR THE SCHOOL YEAR
191 -191

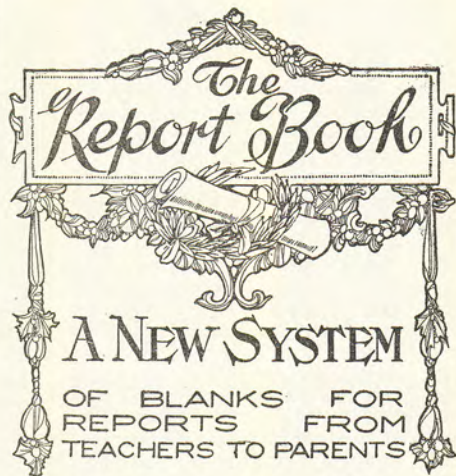

TO THE TEACHER.

This little book is intended to contain all the Reports necessary to be made regarding the Attendance, Deportment and Progress of the pupil herein named. See to it that it is well kept. Fill the blanks regularly and carefully at the close of each month. Send them to parents promptly at the time indicated on the second page of the cover, and see that they are returned with the proper signature.

Make all entries with pen and ink, and in such a way that no one can fail to understand. Exercise such care that erasures shall never be necessary. The manner in which these Reports are made will be a good index to the general character of your school.

This book is arranged for either Primary or High Schools. When used in the High School, the leaf containing the names of the Primary and Grammar School branches may be removed by cutting off at the dotted line. The report of Examinations in the High School branches, and Attendance and Summary, will then face each other.

If rightly used, this book will prove to be a valuable medium of communication between you and the parents. It will stimulate the pupil to do his best work at all times, and it will otherwise assist you greatly in securing desired results at school.

TO PARENTS.

This Report is sent to Parents for their inspection directly after the close of each school month. After having inspected the items reported, please write your name in the proper space on the last page of the book, and return to the teacher. Should there be any delay in the presentation of this report, or any neglect in its preparation, you will confer a favor by calling attention to it immediately.

As this is intended to be a complete summary of all that pertains to your child's school life this year, it is hoped that you will regard it with more than a mere passing interest, and that you will co-operate with the teacher in securing the best possible results. The value of the Report Book will largely depend upon the interest shown in it by you. The pupil naturally looks for praise or censure, according as the record is good or bad. If good, an encouraging word should be spoken. On the other hand, if irregular attendance, low deportment, or neglected lessons be reported, the fact should not pass unnoticed.

Should you at any time discover anything of an unsatisfactory character, through means of these reports or otherwise, it is earnestly desired that you will call upon and consult with the teacher at once. By pursuing this course, misunderstandings will be avoided, and the parties most interested in the welfare of the pupil will mutually assist each other.

My dear Mrs. Denny,

Benjamin Kildersbane
received word from his
home last evening, that
he could remain with
me, if he wished. I shall
try to do my best with
him, and he is such a
good boy, I think all will
go well, and he will be
happy. I cannot but
feel a pang of regret

That the Carlisle Indian
school will be no more,
I have so many happy
associations there and
have been greatly benefited
also, Of course I realize it
will continue in a noble
cause, I hope sometime
you and yours can
make it convenient to
visit me, and write to
me also.
I have told Bennie to write

this matter well, and I
think he has, so wished
me to inform the school
of his decision.

Gratefully and sincerely

Miss Lucena Peck,
Tullytown, Pa.

Dear Madam:

I have your letter and also one from Benjamin Hildebrand relative to his remaining with you and attending school.

You will understand, now that Carlisle School will be abolished, that if you retain Benjamin it will be upon your own responsibility. The outing work ceases with the closing of the school. This will mean that if Benjamin stays with you instead of being transferred to another school fall, he will have to pay his own transportation to his home when he is ready to go. It will also mean that there will be no Carlisle outing rules to govern him.

If you are willing to take this responsibility, Benjamin should write at once to his parents and ask their permission to stay where he is.

Very truly yours,

on, Pa., July 31, 1918.

Ms. W. R. Denny,
Carlisle, Pa.

Dear friend:

As Carlisle is to be changed into a hospital for soldiers I am going to ask for an exceptional privilege.

I would like to remain here with Miss Peck and go to high school until I finish. I have given the matter serious thought and am thinking of it yet. I must go one way or the other. I would like to help her for a while longer. She needs help and help is

scarce, but whatever I do or where—
ever I go I am going to try and stay
in school as long as possible.

We are getting along very nicely
together and I am just getting thorough-
ly acquainted with the place and
what is to be done in the near
future.

I hope you will advise me
rightly as to what I should do.

You evidently have not heard that the Carlisle Indian School has been abolished and will be turned over to the War Department September 1st. I am sorry therefore that we will not be able to take the two children you want to enroll here.

Your son Benjamin, who is already a student here, has asked permission to stay with the lady for whom he is working at the present time. I wrote him that I would offer no objection to this arrangement if he could get your permission.

Mytown, Pa., Aug. 27, 1918.

Mrs. N. R. Denny,
Carlisle, Pa.

Dear friend:

I would like very much to receive all of the money due me for the month of August as I have a number of War Savings Stamps to purchase and some articles for winter; and I would like to know a little more definitely in regard to the balance of my money which I have earned this summer; whether it is to be sent to Carlisle or whether I am to receive it and invest it as I see fit.

I would also like to have a pair of shoes size seven (7) if I am not asking too much. If you cant send them I can buy my own as I ably want working shoes.

I received the last number of the Carlele arrow and enjoyed it very much. I would like to have another one if it can be obtained for I have given the one I had to a friend of mine. Enclosed you will find eighteen cents in stamps to cover expenses of the Arrow. If the dues are grater please let me now and if they are less you may keep the balance for your trouble.

Help is scarce and work is

plentiful at present. I am getting along very nicely and enjoying the best of health.

Respectfully your friend,

Benj. Kildorbrand.

Tullytown,
Pa.

P.S. Dont forget the last number of the Arrow.
