The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

Mr. Jonas Smith,

Dear friend Jonas:

Noting in the communication you addressed to me on the 24th instant that you are now ready to return to Carlisle, I have had a ticket for your use made available at Green Bay. It will require an order from Superintendent Hart's office to secure it, so I suggest that if you cannot see the Superintendent personally that you write to him for an order for your ticket.

The application for enrolment you signed in June is being forwarded to Superintendent Hart for approval so that our records will be complete and if there is any question at all about the condition of your health you should undergo a thorough physical examination before you apply to the Superintendent for an order for your ticket.

Hoping it can be arranged soon to have you start for Carlisle, I am, with best wishes for a pleasant trip,

Your friend,

HRM. Superintendent.

West Green Bay.

My dear Madam:

Your son Jonas returned here last evening from his outing home and when he was seen at this office in regard to the request that is contained in your letter of the 21st of May he stated that he desires to return home for the summer months. It will be arranged, therefore, so that he can leave here on Wednesday evening of next week with the other boys who are to start then for their homes. A ticket for use to Green Bay will be provided.

Trusting you will be well pleased with the practical experience your son has gained and that he will have an opportunity to show what he can do, I am,

Dear Sir.

Please send me #30. I have made a bargain with J. H. Burkel of Green Bay. to buy his horse at that price. I am sure its worth that sum. Because he is only four years old. quite and good driver. nothing wrong.

We have no horse on the place this year. And I would like to buy this for my mother.

Hopping you will offer me no objection.

We live too far away from the town to be without it. not only that, I want to work the field same as when I was out in country.

Please let me heard from you before 25th of June. This is not going to be spend for pleasure.

I would like very much to get the horse as soon as possible.

Mr. Jonas Smith,

West Green Bay, Wisconsin.

My dear Friend:

I am having enclosed herewith a copy of the mid-summer issue of our school ARROW in order that you can keep yourself informed about our activities during the time you have been absent from Carlisle. We have done the usual summer work and everyone here during the vacation months is being kept busy.

As you probably know a number of the young people on the Oneida reservation who are eligible for transfer to one of the larger nonreservation schools I enclose herewith several application blanks I would thank you to hand to those you could recommend for enrolment. If any others would be interested in any literature we might send to them their names and addresses may be listed on another blank enclosed, together with the other information that is desired thereon.

In this connection I must call attention to the fact that all applications for the enrolment of students who are Oneidas must be approved by Superintendent Hart before they can be given consideration here and then there need be no de-

lay about making transportation available for the use of those recommended for enrolment.

Hoping you can take time to assist as is desired and assuring you that I will be pleased to hear from you in what way I can help you to carry out the plans you are making for your next year's school work, I remain, with best wishes,

Your friend,

Dear friend Jonas:

I have received the approved application for your re-enrolment at Carlisle and have noted that your coming here has been delayed at your parents' request. As you have been needed at home you probably have gained almost as much as you have lost here by joining your classes late and it will be entirely satisfactory if you can come on as you have planned before October 1st.

The ticket for your use must now be available and if you secure an order from Superintendent Hart for it you will not have to delay when you are ready to start.

With best wishes for a pleasant trip, I am,

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

My dear Mr. Hart:

Replying to your letter relative to Jonas Smith I have to advise that Mr. Denny, the disciplinarian, tells me that he has had a talk with Jonas about his going home and from what he has learned Jonas has in mind nothing of what you fear.

He is one of our good steady boys and I feel sure would not make any attempt to run away. You can assure his mother that Jonas is getting along all right and that her fears are entirely without any foundation.

Very truly yours,

Mr. John Francis, Jr.,
Supt. Indian School,
Carlisle, Pa.

My dear Mr. Francis:

The mother of Jonas Smith was in today, asking for his return from Carlisle. It seems that Jonas returned to Carlisle last fall, on his own motion, but at Government expenses. He is about 21 years of age.

The mother gave as her reason that his father needed Jonas but admitted that he had asked to be called, saying that he was going to leave anyway. The mother does not want him to run away and asks me to suggest that you let him come with your permission. Probably if you can find what girl has turned him down you will find why he wants to leave.

There is no present necessity for his coming, so far as his parents are concerned, and it is extremely improbable that he will remain at home if he comes. At his age, however, if he has lost whatever ambition he may have had there is but little profit in keeping him there.

Very sincerely yours,

H. Burt

My dear Mr. Francis:

Replying to your letter of April 10th, concerning the return of Jonas Smith, I can only say, as in previous letters to Mr. Lipps, that I do not see that the small farming operations of his father require his presence here. My records show that Jonas was born Dec. 12, 1896, and he is therefore nearly 21 years old, and it is not probable that he will remain on his father's farm if he returns. Both father and mother appear to be in fair health and able to attend to their small affairs.

However, if he has determined to come home, he has reached a an age where you can do but little for him unless he is very much interested in his work, and it might be well to dismiss him.

Very sincerely yours,

J.B. Hart.

DEPARTMENT OF THE INTERIOR

OFFICE OF INDIAN AFFAIRS

WASHINGTON

March 18, 1916.

METHOD OF SENDING AND PAYING FOR TELEGRAMS.

ORDER No. 5.

TO ALL OFFICERS AND EMPLOYEES OF THE INDIAN SERVICE:

In lieu of Circular 1056, the following instructions in regard to sending and paying for telegrams, are hereby promulgated, to be effective on and after April 1, 1916:

1. HOW SENT.

No telegram on which the charges are to be paid by the Government, either directly or by way of reimbursement, shall be sent "collect" unless sent by a person not in the Service. See 3 (b).

(a) **Indian Office.**—Messages sent by Government officers or employees to or from the Indian Office shall be marked in the lower left-hand corner, thus: "Official Business, Government day (or night) rate. Paid, charge Indian Office."

(b) **Field Offices.**—Messages sent to or from any field office, which properly pertain to its jurisdiction, shall be marked in a similar manner: "Official Business, Government day (or night) rate. Paid, charge ———, (giving name of the person or office to which bill should be presented for payment)."

(c) **Traveling employees.**—All other messages sent by employees who are under the jurisdiction of a field supervising office, whether sent direct to that office or otherwise, shall be marked thus: "Official Business, Government day (or night) rate. Paid, charge ———, (give name of the person or office to which the bill should be presented for payment.)"

All other messages sent by employees who are *not* under the jurisdiction of any field supervising office shall be paid for in cash at the time the message is filed with the company for transmission, and the message shall be marked thus: "Official Business, Government day (or night) rate. Paid in cash by sender." In all such cases a copy of the message, showing that the original was marked "Paid in cash by sender," must be retained by the traveler and filed with his voucher on which reimbursement is requested.

2. METHOD OF PREPARATION.

(a) **Rates.**—Each message must be marked by the sender so as to show whether it is sent at day or night Government rates. Night rates are cheaper, and should be used when too much delay is not occasioned thereby.

2. METHOD OF PREPARATION—Continued.

(b) **Signature.**—Each telegram must be signed in sender's own handwriting. Typewritten or stamped signatures must not be used. Telegrams phoned to sending station of company must be confirmed by written message prepared and signed as herein directed.

(c) **Address.**—Official telegrams sent to the Secretary of the Interior, or to the head of any bureau thereof, or to any other person in the Department whose official position is of sufficient prominence to insure proper delivery of the message at Washington, D. C., over the lines of the Western Union and Postal Telegraph Cable Companies, should be addressed "Washington" only, the letters "D. C." being eliminated. ("Departmental Order November 20, 1915.)

(d) No duplicates should be furnished to the receiving office of the company, except to support lost messages, when ordered by the Indian Office, in accordance with paragraph 5 hereof.

(e) **Appropriation.**—On each copy of the message give name of the appropriation chargeable with the toll.

(f) **Form.**—When practicable use prescribed forms, making original and four copies, and disposing of the copies as marked thereon. Additional copies may be made as desired. If not practicable to use prescribed form, keep copy of the message and mail omitted forms as soon as practicable.

3. MANNER OF PAYMENT.

(a) Vouchers of telegraph companies, when submitted for payment, must be supported by the originals of all telegrams filed by officers or employees of the Indian Service, after April 1, 1916.

(b) Messages sent "collect" to a Government office or officer, by a person not in the Interior Department, may be paid for on presentation of a copy of the received message. However, the Government reserves the privilege of having such messages marked: "Paid, charge ———, (giving the name of the person or office to which the bill should be presented for payment)," and in such cases it will be the duty of the telegraph company to present the original message in support of its bill. Field officers are advised to instruct correspondents to so mark messages which are to be paid for by the Government.

Commissioner.

Replying to your inquiry relative to Jonas Smith, a pupil of this school who was in the draft list for June, I have to advise that Jonas ledt Carlisle on June 7, 1918 to live in one of our outing homes with Mr. D.
