Dear Mr. Hart:

In compliance with the suggestion you conveyed to me in your favor of the 22nd instant it is being arranged so that tickets will be made available at Green Bay for the use to Carlisle of the three Cornelius children.

Rose and Mary Frances Cornelius were excellent students here and may be sent on just as soon as it has been determined that they are physically fit to resume their work here.

Edwin Cornelius was a splendid boy too and may be sent on whenever the application for his re-enrolment has been properly filled out.

Julius Cornelius cannot be accepted for enrolment because we do not now have a class in which he could be entered.

Hoping I shall hear soon when the Cornelius girls may be expected, I remain,

Very truly yours,

HKM.

Supt. O. H. Lipps,
Carlisle, Pa.

Dear Sir:

Rose and Mary Frances Cornelius have just filed applications for return to Carlisle. As they are former pupils they will doubtless be acceptable if they pass the medical examination, which I am asking today. To save time it might be well to place tickets for them. It is reported that Edwin Cornelius will be ready to return next month. Provision might also be made for him, if you wish him.

Application was also made for Julius Cornelius, brother of Rose age 16, but reported 2nd grade. I have informed his people that you have declined to receive pupils below 4th grade. If you wish to make exception in this case please advise me.

Very respectfully,

Supt.

My dear Madam:

This is to advise that your daughter Frances will leave here on June the 4th for your home with the other girls who are entitled to start for their homes on that date. Transportation to De Pere will be provided for her use.

Will you please let me hear from you when she has arrived at your home so that our records will be complete?

Very truly yours,

Mr. J. C. Hart,
Superintendent, The Oneida School,
Oneida, Wis.

Dear Mr. Hart:

An acceptance of sale of land similar to the one you enclosed with your favor of August 22nd was received here earlier this month and was forwarded to Mary F. Cornæius at her outing home on the 21st instant. Just as soon as attention has been given the paper and is returned here I will have it sent on for the files at your office.

I have noted further in your favor that the party of Oneida pupils can probably be started on the 1st instant. That should give them a little time to rest before they have to begin the regular classroom work.

"I inclose acceptance of sale for signature of Mary F. Cornelius, a daughter of William and Esther Cornelius, and who is now at Carlisle. All others have accepted and while Mary is not of age it is desired to have her signature."

When your letter of August 16th was received here the acceptance of sale requiring the signature of Mary F. Cornelius you enclosed therewith was forwarded to the girl at her outing home. However, she did not give it the attention there that was desired and only today did she come to this office with the paper.

It is now signed as was requested and is otherwise executed. You will find it enclosed herewith.

Trusting your office has not been inconvenienced by this delay, I am,

Dear Sir:

I have a letter from Edwin Cornelius requesting the return home of his sister Frances, a pupil of this school now under the outing. Edwin's claim is that her services are needed by their aged mother. Frances has gone under the outing with the understanding that she is to remain until September, and she is earning very good wages so that we could be able to send her mother some money if necessary. When she comes back to the school in September I can arrange to send her home as her term of enrollment has expired.

I will be glad to be advised immediately regarding this case.

Very truly yours,

Dear Madam,-

I have your inquiry as to when Frances Cornelius will go home and have to advise that upon receipt of a letter from her brother Edwin, I wrote to Superintendent Hart asking him to find out if there was immediate need for her return home. I recommended in this letter that if her mother did not need her immediately, that she be allowed to remain in her outing home until September. I have not heard from Mr. Hart but rather believe he will concur with my opinion on the matter. If I hear otherwise, and I do not anticipate it, I will write you at once.

Your health report states that Frances seems to have fallen arches and suffers accordingly. I believe it would be a good investment of a part of her wages to buy her a pair of braces. Will you ask her about it and then direct her or go with her to some reliable person whose business it is to fit such things, if she wants to buy the braces?

Very truly yours

Trav. Aud. in Charge.

Dear Sir:

Replying to your letter of July 3, concerning the request of Edwin Cornelius for the return of Frances, I am asking him for information concerning the necessity for her return. At last report an older sister was at home, but she may now be absent, and I will advise you as soon as I have definite information. The family is well located and they have a large farm, and there is no reason known to me why she should not return if her enlistment has expired.

Very respectfully,
