INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employe of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

Mr. Sam. Perryman,

Route 1, Wagoner, Okla.

My dear Sir:

This is to acknowledge receipt of your letter of the 23rd instant and to advise you that parents are welcome at Carlisle at any time they come to visit their children.

Referring further to your letter you are advised that all necessary articles of clothing are furnished by the Government to students who are enrolled here, but there is no objection at any time ^{to} students receiving suitable articles of clothing from their homes or the money with which to purchase such clothing. It is required, however, that all such sums of money be sent direct to me. If in amounts greater than is required for immediate use the money is deposited in our school bank and can then be drawn out later by individual check.

Last year a number of students were allowed to go to their homes for the summer vacation months upon receipt of

Mr. Sam. Perryman.

the required recommendations. That is not a fixed policy, however, and individual cases must be given separate consideration. Whatever requests you make, if approved by the Supervisor of Indian Schools at Muskogee, will be given such favorable consideration as is possible under the rules and regulations.

Very truly yours,

HMM.

Please let me hear from you soon in regard to this request because it is important that prompt attention be given your daughter's teeth if the best results are to be obtained.

The correspondence shows that I wrote you last August, upon Susie's request, to send her some money. She has not received any through our office to date. While food and clothing are provided for our pupils here and they are not in need in any way, there are times when a little spending money makes them happier. Susie is not very strong and did not get an opportunity to go under the outing last summer to earn some spending money.
