My dear Mr. Janis:

I thank you for the suggestions contained in your letter of recent date in regard to work you desire your daughter Ruth to do while she is at Carlisle. In reply thereto I must state that she is not far enough advanced in her academic studies to devote all her time to the work in our sewing rooms. but she will have an opportunity to learn to sew as in the course of time the plan of work will bring her to that department.

Dear Sir:

Sometime ago I got
a letter from you asking what
my desire was in sending
my daughter Ruth to Carlisle

to explain to you that our most
earnest wish and hope is that
she learn to do sewing from
common sewing to dress making
so that she will be able to make

DEPARTMENT OF THE INTERIOR
UNITED STATES INDIAN SERVICE

Supt. O. H. Lippse,

Regarding case of Ruth Jarvis, as to working regularly in sewing room, she is below the grade in Academic work to do that and if it is expected that we follow the plan now adapted it will be impossible for Ruth to spend all her time in any one department, I also think every girl is better able to carry out special work if she is kept in touch with work all along the line.

Respectfully,

I beg leave to suggest that you communicate with Supervisor Davis, because other students from the Rosebud Agency may desire to come to Carlisle with whom Ruth could be sent on.

My dear Mr. Janis:

Supervisor Davis has forwarded to me your application for the re-enrolment at Carlisle of your daughter Ruth. I am pleased to note that you have decided to let her return to Carlisle and I assure you we will gladly enroll her upon arrival here.

In view of the fact that you reside so far distant from the Agency it is suggested by the Supervisor that a ticket be placed to your order at Winner for your daughter's use. Such action has been taken and the ticket should be available within several days after the receipt of this letter.

Herewith is enclosed a form upon which the physician should note his findings when he makes an examination of the physical condition of your daughter. Please have the completed form returned to me in the envelope herewith. Knowing that you are just as anxious as I am not to let your girl come to Carlisle unless she is in excellent physical condition the decision whether to send her or not is left with you and the physician who makes the examination. The Supervisor has

Sept. 22, 1915.

Mr. Oscar H. Lipps, Supt.,
Carlisle Indian School,
Carlisle, Pa.

Dear Sir:

Enclosed is an application from Frank Janis for the enrollment of his daughter Ruth, age 16, in your school for a period of three years.

This girl was enrolled in your school in 1914, came home for the vacation period and did not return the next fall but enrolled in a public school. Her father states that the reason she did not return to your school was because her mother was ill and it was not thought advisable to send the girl away. I believe you would find her a satisfactory pupil if you decide to enroll her. Her father would like for her to be instructed in sewing.

Since Mr. Janis lives about 80 miles from this Agency, and as it is getting late in the season, I suggest you write him directly as to your decision in the matter. If transportation is placed, it should be placed at Winner, South Dakota.

You will notice the girl has not been examined by physician yet and any arrangements you make should be on the

condition that she satisfactorily passes the physical examination.

Kindly advise me of your decision in the matter.

Very respectfully,

We are attaching hereto receipt in duplicate which we would kindly ask you to have Miss Janis sign and return to this office.

My dear Madam:

I have received your letter of the 11th instant, containing your inquiry whether it can be arranged so that your daughter (Ruth) may spend the vacation months with you in your home. In reply to your letter I must state that we will probably grant only a few such requests this year because it has been my experience that the majority of the students who have gone home in the past for a vacation have returned to Carlisle less interested in their work than when they left here, but no objection to Ruth's going home for the summer will be interposed if the usual amount required to pay for her return transportation is deposited and your request is submitted formally on the blank I enclose herewith. Kindly have Supervisor Davis approve the request when the blank has been properly filled out and signed.

Very truly yours,

We, the undersigned, respectfully request that leave of absence be granted

..... *Faith Janis*
from *May 3rd, '16* to *Sept. 1st, '16* to
enable *him* to visit *his* home. We hereby agree to pay all expenses, including

round-trip railroad fares, sleeping-car fares, meals, lodging, stage fares, telegraph and telephone messages,
and other incidental expenses connected with the visit. We further agree that said pupil shall be
returned to the *Carlisle* school on or before the last day of the leave of absence.

We further agree to deposit with the superintendent of the school sufficient money to defray all expenses
to be incurred, and should the pupils, or any one of them, fail to return to school at such time as may
be agreed upon by the parents or guardian and the superintendent of the school in which the pupils
are enrolled, the amount of money remaining with the superintendent, necessary to the return trans-
portation of the pupil or pupils so neglecting to return, shall be forfeited to the Government; provided,
however, that in all cases where it can be shown that there were justifiable reasons for the failure of the
return of the pupil the forfeiture of the funds shall not take place.

If the pupil neglecting to return is from a reservation, the superintendent of the reservation shall
certify to the reasons for the nonreturn of the pupil or pupils. If a pupil's home is not on a reservation,
then the certificate of some reputable, disinterested citizen of the community may be requested as to
the reasons for the nonreturn of the pupil or pupils.

My dear Mr. Janis:

As the vacation period is so rapidly coming to a close I beg leave to call attention to the fact that we should like to have your daughter Ruth here on the opening day of school, September the 5th, to resume her studies. Will you please notify me, therefore, when convenient at what point her transportation is to be made available?

Dear Mr. Janis:

I have received your favor of the 16th instant, advising that you would prefer to send your daughter Ruth to Carlisle with an escort coming to the Rosebud Agency to secure students. In reply thereto I must state that no such arrangements have been planned and that I have taken the liberty to make transportation for Ruth's use to Carlisle available at Winner. Let me suggest, however, that you find out from Supervisor Davis whether a party of Rosebud students is to be sent on with an escort and then I will gladly have the ticket for Ruth's use made ready at Valentine or any other point you may designate.

Trusting I shall hear from you again in regard to Ruth's return here and that I can favor you, I am,

Mr. Frank Janis,

Winner, S. Dakota.

Dear Mr. Janis:

On receipt of your letter of Sept. 25th regarding the treatment of your daughter Ruth by the Matron, I referred the matter to Mrs. Ewing and I enclose her statement herewith for your information. There is no serious trouble at all and I find that I have to be firm with my own daughters at times and when young people are impolite or careless it is the duty of those responsible for their training to correct them.

I hope, therefore, we may have your hearty cooperation to the end that your daughter's training at Carlisle may result in much benefit to her and make of her a useful and efficient woman. I shall be glad to do all I can for her and I feel that she will get along well in her school work. The only trouble with

Ruth appears to be her temper. I hope you will write Ruth and advise her as to the importance of her cultivating a better disposition. It is more important that she do this than that she excel in other things.

With kind regards and best wishes, I remain,

Hon. O.H.Lept,

Dear Sir,

I told my daughter Ruth to get off at Carlisle to get something to eat, on account of having nothing but a cold lunch on the road enroute.

I gave her a little change for her expenses on the road. She makes complaint that the Matron chides her for getting off at Carlisle when she was just obeying my instructions.

I do not think it is right for the matron to pick fault with my daughter when she was obeying my instructions. Being away from home she is more sensitive about these matters so should be encouraged and not discouraged.

It will also be necessary for you to deposit the necessary amount for her return to Carlisle in the fall. Upon receipt of the blank signed and a check for the money requested, I will take up the matter of Ruth's return to you.

Dear friend:-

I am in receipt of your letter of the 15th inst relative to the return of your daughter Ruth. You say Ruth will not return to Carlisle unless we promise to let her take up dress-making. I am sorry that I cannot make any promise that she can be given this work entirely.

Our course of study now is so arranged that all the girls in the lower grades must take their turns in the departments where actual ~~productive~~ work is done. Ruth had not reached the vocational grades and has had to do her share of this kind of work.

Should she return now, she would be in the 1st year vocational and would have more of the Sewing and Domestic Science work, and less of the productive work. I am enclosing Ruth's Certificate of Promotion so that she may see her grades which are very good.

Regarding the uniform, the matron tells me that the girls do not get a new one each year, that they average about one new uniform in two years.

I hope that Ruth will yet return to Carlisle. I shall be glad to have her come at any time.

With kind regards, I am

Dear Sir:

Received your letter of the 14th inst. and in reply will say that my daughter is not as home but will not go to your school unless you promise to give her an education in the line of Dressmaking as we want to fit her for that line of work. I am informed that students attending your school are entitled to a new uniform each year, such is not the case with my daughter. As I understand it she has an old one and not in any way to be considered new. I don't think that the matron, Mrs. Ewing, treats my daughter kindly and as long as she is there do not expect any improvements in that line.
