NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Bay City, Mich.

Gentlemen:

Our records show notation to the effect that this lad, Ira Cloud, was twelve years old in 1898. It is not authentic record, being simply a card index. We have registered him for the consideration of the Local Board with the suggestion, however, that he is probably not of draft age. Definite information can be obtained from his mother.

Very truly yours,

Superintendent
