### INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

**Important**—Only those students who desire to come to Carlisle because they have a definite purpose in view will be admitted. Applications for enrollment must be submitted in all cases for consideration before transportation can be made available. Time will then be taken to find out the records students have made in the schools previously attended, and to secure recommendations as to their *moral character* and their worthiness for further attendance at a Government institution.

# INFORMATION REQUIRED UNDER DECLARATION OF POLICY

Elimination of Ineligible Pupils from the Government Indian Schools.—In many of our boarding schools Indian children are being educated at Government expense whose parents are amply able to pay for their education and have public school facilities at or near their homes. Dear Sir:

I am in receipt of your letter and money order for Fifteen Dollars, which is to be used to pay the expenses home of Elizabeth Frost.

While I would like to comply with your request, it does not seem advisable to send any more boys and girls to their homes at the present time. Those who are here now will be needed to carry on the work of the school. I am sorry that your request did not reach me earlier as I might then have been able to comply with it.

I am returning herewith the money order for Fifteen Dollars.

Very truly yours,

The great hit of the opening day was the American Indian Concert Band which will play during the entire opening week, daily at 4 o'clock in the afternoon and at 9 o'clock at night. Those who attended the opening day at the park have found out that the promises made by the management with regard to the ability of the musical entertainment have been no idle words. They realized why it is that the band made such a distinct hit in its recent tour of the world, and why many crowned heads of Europe were so enthusiastic in their praise of the American musicians.

The Scranton Truth,

Responding to the expressed wishes of multitudes of music loving people, who have appreciated the quality of music furnished by this famous Indian organization, the management of the park consented to extend the engagement of the Indians for another week.
