The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

Mr. Chas. Delaney,
Browning, Montana

Dear Sir:

I am in receipt of your letter, dated March 28th, 1918, relative to the return home of your two boys, Fred and George. There has been a misunderstanding regarding the closing of school here. School does not close until after Commencement which occurs this year on June 6th.

I have allowed about one hundred boys to go in the Outing district to help the farmers get in their crops. All other students who are here will continue in school until its close. Your son, George, is one of the boys who went under the Outing last Friday, and as he has agreed to remain out for the season his going home is out of the question. Your can write me sometime in May relative to Fred. I enclose a vacation request blank which you can sign and return to me, complying with the requirements thereon.

Very truly yours,

Mr. Stuart Haslett,
Clerk in Charge,
Browning, Montana

Dear Sir:

I am in receipt of your letter of the 13th inst., written on behalf of Charles Delaney relative to his son Fred, a pupil of this school. You state that the Delaneys would like to have Fred return to them during the summer and enclose a check for \$120.00 to be used to pay his expenses. Since the receipt of your letter the railroad people have raised its rates, and the amount you deposited is not sufficient to pay Fred's fare to Browning and return. The fare to Browning is about \$68.00, so it will be necessary for you to deposit twice that amount.

As we have only a few boys here now to help us carry on the work of the school it will not be possible to let Fred go home until about the first of August. Please let me know if this will be satisfactory to the parents.

Very truly yours,

We further agree that said pupil shall be returned to the Carlisle Indian school on or before the last day of the leave of absence. We further agree to deposit with the superintendent of the school sufficient money to defray all expenses to be incurred, and should the pupils, or any one of them, fail to return to school at such time as may be agreed upon by the parents or guardian and the superintendent of the school in which the pupils are enrolled, the amount of money remaining with the superintendent, necessary to the return transportation of the pupil or pupils so neglecting to return, shall be forfeited to the Government; provided, however, that in all cases where it can be shown that there were justifiable reasons for the failure of the return of the pupil the forfeiture of the funds shall not take place.

If the pupil neglecting to return is from a reservation, the superintendent of the reservation shall certify to the reasons for the nonreturn of the pupil or pupils.
