Mr. Francis

Dear Sir:-

I beg to ask you to let my son John come home. I need him very much. My other two sons will not be back to help me this season for the simple reason that one of them is drafted and the other boy is working in some munition factory. I am left all alone to run the farm, and a

if you could let John come
home it help me out
greatly for this season.
I will appreciate the favor

INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Geo K. Fulmer says he has been an Outing patron for many years and has had many good boys but the one he has now ^{John White} is the very best. John you sure must be a good boy.

A number of the Outing boys spent their 4th at Willow Grove park. It is a good place for them to spend the day on account of the good music that they hear and the many places of pleasure.

My dear Sir:

As the vacation period is so rapidly coming to a close I hope I shall hear soon that you are planning to return here in time to begin your studies on the opening day of school, September the 5th, and at what place the transportation for your return is to be made available.

In this connection I beg leave to inquire whether some of the young people of your acquaintance would not be interested in literature we could send to them from Carlisle. If your parents or you have any such in mind I should like to have you list their names and addresses on the blanks I enclose.

Hoping the vacation period has been a very pleasant time for you and that we shall hear from you soon, I remain,

I have received your letter of the 3rd instant and have noted that we may expect you to return to Carlisle later this month. As you are doing the farm work at home and you cannot well leave it before that time it will be entirely satisfactory to me to have you come at such later date. A ticket for your use is being placed at Nyando, so that you will not be delayed on that account when you are ready to start for your return here.

I thank you for the list of names you so kindly enclosed with your letter and for your kind offer of further help in bringing applications for the enrolment of the young people to my attention. Application blanks have been mailed direct to each of those you named and if you can assist them in having them properly filled out it will be appreciated. Herewith I enclose a large return envelope in which the applications may be mailed to me when they are properly filled out.

Dear friend,

you will now hear from me as your letter has been neglected so long. My summer vacation has certainly been a pleasant one, and I want to say it is a short one.

I would have liked very much to return on the opening day of school, but circumstances will not permit me. I am doing the our farm work mostly myself and so I will not be able to return until the 20th or 25th day of this month.

The transportation for my return has to be made available at Nyauas N.Y.

My dear Sir:-

This is to inform you that your son John has been missing from the school grounds since yesterday morning and the supposition is that he has deserted. If we hear of his whereabouts, I will write you.

John has always gotten along nicely at this school and has not been in any trouble recently and we cannot understand why he should have taken this method of getting away from the school. His term expired this coming June and he would have been allowed to go home at government expense after July 1st .

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
