INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Mrs. Mary Bigbear,

Dear Madam:

Replying to your letter asking that your grandson Ulysses Johnson be given permission to visit his home this summer I have to advise that as many of our boys have already left the school it will be necessary for us to retain through the summer those who are here now to carry on the work of the school. For this reason it will not be possible for me to grant your request to have your grandson visit you this summer.

Very truly yours,

D:R

c/o Mr. J. Homer,
R.F.D.#5, Syracuse, N.Y.

Dear Sir:

I have your letter requesting that Ulysses Johnson be allowed to go home for the summer.

In reply I have to say that it does not seem advisable to allow any more boys to leave Carlisle just now. We have lost a great many upon whom we were depending to do the work here because of their having joined the Army and Navy. Those who are here now should remain here to do the work on our farms.

If you wish I will hold the money order for \$15 which you sent here until our work is adjusted. If I find that we can spare Ulysses I have no objection to his going home to spend a few weeks.

Very truly yours,

D:R

Superintendent.
