Mrs. Ernest G. Windle
West Chester, Pa.

Dear Madam:-

I have just had a letter from Mrs. William Clarke, the lady with whom Inga King is living this summer, saying that Inga is planning to return to you to complete her last year at the West Chester High School. I have written Mrs. Clarke to return her to you August 26th, the day the outing changes are made.

You will understand that the regular Carlisle outing ends with the close of this school September 1st and that Inga, after that date, will be in your entire charge. A check for all money due her will be sent to you and you will advise her regarding its care. Should any serious difficulty arise during the year, you can refer to the Indian Office, Washington, D.C.

Very truly yours

Miss Inga King.

My dear Friend:

I have received your letter of the 1st instant and have noted therein that the final examinations for the year in the school you are attending will not be over until the 21st of June. That being the case we will gladly arrange so that you can remain at the home where you now are until you have taken the examinations if that is agreeable to Mrs. Windle.

Your return home can be effected any time after you arrive at Carlisle and we will gladly extend you such other privileges as will enable you to complete the year's school work before you leave West Chester.

Noting that you would prefer to go to Oklahoma City to visit your sister during the vacation months it is suggested that you write at once to your parents in regard to the matter. I would have to be guided by their wishes and requests.

Very truly yours,

Supt. Mr. O. H. Lippe
Indian School
Carleisle
Pa.

Dear Mr Lippe:-

I received your letter notifying me to come in the last of May if I wished to go home with home party in June. I want to go home very much, but are any of the pupils given the privilege of going home about the 25 or 26th of June. You see the reason why I ask is the school here does not close until the 23rd and talked with Mr Davis about the examinations this morning and he said that the last examinations will on the 25th and I do so want to take the examinations for I have reasons to believe there are hopes for me entering the Sophomore Class

next fall.

Of course if you can not possibly arrange for me to do so, than if I come back here maybe I'll have the opportunity to take the examinations.

And another thing I wish to know is if I can be transferred to Okla. City, Okla. instead of Oneida, Wisconsin when I do go home, my sister lives down in Okla. and wants me to come there and I want to go there or would I have to get my father's consent, (I am past 18).

I must close.

I am sending my best regards to the school.

Yours truly
Inga King

P.S. Mrs Windled wished ^{for} me to ask you for some more report blanks, she says

she can not make out my Feb's report
till she get some report blanks.

My dear Sir:

Your daughter Inga returned to school on Saturday and as she has now decided to come to your home instead of going to her sister's home in Oklahoma it will be arranged so that she can leave here tomorrow evening with other girls whom she can accompany as far as Chicago. At her request a ticket for her use to Oncida will be provided.

Trusting you will be well pleased with the appearance of your daughter and that you will not allow anything to interfere with her return here so that she can resume her studies in the West Chester High School on the opening day of school, I remain,

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Mr. J. C. Hart, Supt.,
U. S. Indian School,
Oneida, Wisconsin.

Dear Mr. Hart:

Your letter of 26th instant regarding the age of Inga King has been received. I shall be very sorry if it turns out that I can not pay Inga's way back to Carlisle. She made such a splendid record here that I should like very much to have her return and complete her education.

Please advise me what the church record shows and if there is any doubt about it I am willing that you give her the benefit of the doubt.

Very sincerely yours,

Superintendent.

Supt. O. H. Lipps,

Carlisle, Pa.

Dear Mr. Lipps:

Referring to your letter of September 21th, in reference to Inga King, my records show that Inga was born March 10th, 1895, and that she was 21 last March. She will look up the church record for the exact date of her birth, as she states that her family record at home shows her birth as March 10, 1896. Since the date of her birth may effect your ability to pay her fare I will hold the papers until I hear from you, or until a later date, ~~as~~ there is no ticket agent at Oneida and the order may have to be filled at Green Bay.

Very Sincerely yours,

JCH/F

Miss Inga King
West Chester, Pa.

Dear friend:-

I have Miss Johnston's report which is as follows:-

English	85
U.S. History	75 $\frac{1}{2}$
Book-keeping	77 $\frac{1}{2}$
Stenography	75
Typewriting	75
Spanish	72 $\frac{1}{2}$

Miss Johnston's report hitherto and the records here show that you have been one of our most ambitious girls under the outing. I am therefore a little disappointed in some of the above marks. I expected to see Inga King's marks, almost perfect.

Can you not work a little harder to this end from now until the close of school? I would like to see one of our girls and in fact all of our Indian girls graduate with honors from the West Chester High. They can all do it if they will begin now and dig. You do your part and send me a report next month all in the 80's and 90's. You can do it and I shall expect you to.

With my best wishes to you, I am

Very truly yours

Superintendent.
