Dear Sir:-

I am in receipt of your letter inquiring about Edith Emery and have to advise that the last letter we had from Edith was in February 1917. She was then at the Germantown Hospital, Philadelphia, Pa. as Ward Supervisor. She graduated from the Kensington Hospital, Philadelphia, in July 1916.

She expressed a desire to remain on our cutting rolls until she could make a visit to her home people so we still carry her on our school list.

I will write you again when I get an answer to my letter to the Germantown Hospital, a copy of which I am sending you.

Very truly yours

Dear Madam:-

I write to know if Miss Edith Emery is still employed in your hospital. If so, can you give me any information about her work and about herself personally, which would be of interest to her anxious father at Rosebud, South Dakota, who has not heard of her for some time.

If she is not with you, can you tell me where she is? Her father has heard that she has enlisted for service in France and is very anxious to know if this is so.

Any information which you can give me will be very much appreciated. I enclose envelope for reply.

Very truly yours

Miss Edith Emery,

My dear Friend:

The request contained in your letter of September the 10th has had due consideration and it has finally been decided that you cannot be given the special privilege of devoting a part of your school time to the study of business methods and practices.

Mr. Whitwell has informed me that you are now a member of the Class in Room No. 10 and that when you are promoted to Room No. 11 business practices will be taught you as a part of your regular school studies. Under the circumstances it would not be advisable to give you a privilege that is not allowed our other students.

Hoping that we shall see you here soon, I am,

Very truly yours,

HKM.

Superintendent.

Edith is in No. 10
as soon as she enters

training in Business

This would be
much better than spending

this latter would be
a violation of our rules.

Dear friend:

I have received Miss Johnston's report regarding your work and am very much pleased to hear that you are getting along so well. You may not know that your name has been retained on our outing list. As you are practically independent now I write to know what your plans for the future are so that I may know whether to drop your name from our roll or not. If you expect to stay in the east I see no reason for keeping you on our list. If you wish, in the near future, to enter the Indian Service it would be better for you to stay on our rolls so that we can pay your transportation to whatever point you may be appointed in the Service. As long as you remain on our roll you are entitled to your transportation home.

Let me hear from you soon as to what you intend to do so that I may arrange my plans accordingly.

With my best wishes for your continued success,

Mr. O. W. Lipp, -
Supt. Indian School,
Carlisle, Pa.

Dear Mr. Lipp: -

To-day I visited the Kensington Hospital for Women in which Hospital Edith Emery had been placed for nursing training. Miss Parker, Supt. of Nurses, gave me the following report regarding Edith.

Edith Emery graduated from the Kensington Hospital on July 15, 1916. She has passed the Pennsylvania State Board of Examinations and is now a registered nurse. At present she has a position as ward supervisor in the Germantown Hospital. Miss Parker obtained this position for her.

Miss Parker recommends Edith as a capable and efficient nurse and further states that she is capable of taking charge of an operating room. Edith has a good record as a private nurse but she prefers institutional work.

Wish to get help.
