Mr. J. W. Dady,
Superintendent, Red Cliff Agency,
Bayfield, Wis.

Dear Mr. Dady:

I have received your favor of the 28th ultimo, relative to the re-enrolment at Carlisle of John Martineau. In reply thereto I take the liberty to submit first of all for your information a copy of a letter that was addressed here by Superintendent Cross of the Fond du Lac Agency on August the 18th and a copy of the reply thereto:

"Please find enclosed herewith application of Henry Martineau for the enrollment of his sons, William H. Martineau and John M. Martineau.

It appears from a statement made to me by Henry Martineau that William H. Martineau ran away from the Carlisle School, and was not returned. It also appears that at one time he ran away from the Hayward School. This seems to make a very bad record for the boy. However, he states that he has seen the error of his ways, and wishes another chance to make good. I recommend that you receive both these boys into your school. Their applications are enclosed herewith.

Kindly inform me of your decision at the earliest possible time."

"I have received the applications for the enrolment at Carlisle of William H. and John M. Martineau, which were forwarded to me with your letter of the 18th instant.

-2- Mr. J. W. Dady, Superintendent.

John M. Martineau's return to Carlisle is desirable and just as soon as a physician's certificate can be secured which indicates that his health is yet in the excellent condition it was when he left here transportation will be placed to your order for his use.

William H. Martineau did desert from Carlisle and the fact that he has a similar record at the Hayward School makes it doubtful whether he should again be enrolled. However, I will be pleased to consider the application further if his physical record is submitted also on the regular blank "5-354" provided by the Office for that purpose. In the meanwhile, I would thank you to let me have a complete detailed report showing what the boy's conduct has been during the time he has been at home from the Hayward and this school. If the boy has been wayward and has not made an effort to settle down to anything it would probably only be a question of time until he would rebel against discipline and order. To such boys time can no longer be given at Carlisle because there are too many others who do not need to be reformed before progress can be made.

Please let me have your further cooperation in the case."

Referring further to your letter, you are advised that transportation is being placed to your order at Bayfield for John Martineau's use and that just as soon as it is determined that his health is yet in excellent condition he may be sent on.

Thanking you for your help in the matter, I remain,

Very truly yours,

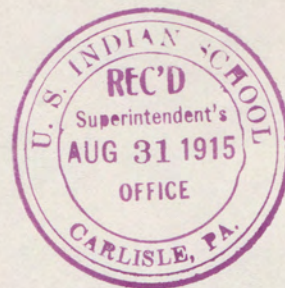

HKM.

Superintendent.

wayward and has not made an effort to settle down to anything it would probably only be a question of time until he would rebel here against discipline and order. To such boys time can no longer be given at Carlisle because there are too many others who do not need to be reformed before progress can be made.

Please let me have your further cooperation in the case.

Very respectfully,

HKM.

Superintendent,

Carlisle Indian School,

Carlisle, Pennsylvania.

Dear Sir:

Please find enclosed herewith application of Henry Martineau for the enrollment of his sons, William H. Martineau and John M. Martineau.

It appears from a statement made to me by Henry Martineau that William H. Martineau ran away from the Carlisle School, and was not returned. It also appears that at one time he ran away from the Hayward School. This seems to make a very bad record for this boy. However, he states that he has seen the error of his ways, and wishes another chance to make good. I recommend that you receive both these boys into your school. Their applications are enclosed herewith.

Kindly inform me of your decision at the earliest possible time.

Very respectfully,

INFORMATION REGARDING RETURNED STUDENTS

PART 1

REPORT BY NONRESERVATION SUPERINTENDENT OR RESERVATION SCHOOL PRINCIPAL

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Indian Office, Washington, D. C.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

My dear John:

When inquiry was made here recently to determine which of the students who went to their homes in June at the termination of their period of enrolment should be encouraged to return to Carlisle to continue with their education it was learned that you are one of the promising boys we should like to have with us again for our next year's work.

There is being enclosed herewith a blank in duplicate upon which an application for your reenrolment may be submitted to Superintendent Dady for his approval and he will then assist as may be required to complete arrangements for your transfer.

Hoping that I shall hear from you soon, I remain,

Very truly yours,

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Mr. John Francis Jr., Supt.,
Carlisle Indian School,
Carlisle, Pa.

Dear Mr. Francis:

Enclosed find two checks for two boys from this Reservation who are attending your school. Check for John Martineau is the balance of his account in this office including all divisions of money received from his mother from her share in the estate of Josephine Basina. John wrote me a letter a few days ago stating that he wishes to come home and enlist in the Navy and wanted this money for that purpose. If he really does want to enlist in the Navy there is no necessity for him coming home as he can enlist in the East just as well as he can here, and I do not think it would be wise, therefore, to let him have this money unless it is known for just what purpose he will expend it, as it is not unlikely he will use it for carfare, if he does as he states he will do in his letter. The other check for George Bresette, in the amount of \$25.00 is to be expended under supervision for his personal expenses, and the purchase of clothing, etc.

Very respectfully,

Supt. & S. D. A.
