Dear Mrs Denny.

I will write a few lines to let you all know that I am well. I like Army alright. I think it is a fine thing to be a soldier.

I passed Physical examination successfully last Monday. We expect to be transferred to replacement camp very soon. I guess the students have all left Carlisle by suite a number of draftees were rejected, because they were not fit for service. We have plenty of amusement going here every day and evening. Believe me Virginia is pretty hot place to be. The drafted men are coming every day. Could you give me the following names address.

Mr. James E. Henderson,
Superintendent, The Cherokee Agency,
Cherokee, North Carolina.

Dear Mr. Henderson:

I hereby acknowledge receipt of your favor of the 18th instant relative to the request of David Thompson's father that his son be allowed to return home this summer in spite of the fact that he came two days too late to be entitled to receive transportation at Government expense. While I can readily see why the father and David as well desire that special consideration be given in the case, and I believe personally that to all intents and purposes David's full period of enrolment has been spent here, I should like to see him remain at Carlisle. However, if there is any reason to believe that David would make good use of his time while at home and that he would return here for an additional period of enrolment his release can be effected if the sum required to pay for his ticket is made available. David could then be provided with a ticket for his return here

-2- Mr. James E. Henderson, Superintendent.

if an application would be made for his reenrolment for a three year period.

Will you let me hear from you again in regard to the request, for a final decision should depend on what chances David would have to remain at work during the summer months?

Very truly yours,

HKM.

Acting Superintendent.

Mr. O. H. Lipps, Superintendent,
Carlisle Indian School,
Carlisle, Pa.

Dear Mr. Lipps:

The father of David Thompson has been in to see me relative to his son coming home this summer. From a letter he showed me from David I take it that David reached Carlisle a few days too late to have his term of enrollment expire this year. The father says that if you will send David Home on leave this summer he will see to it that he returns in the fall. As you know, I am not very much in favor of any of our boys returning to Cherokee if they are doing well at Carlisle and you may use your judgment in the matter.

Very respectfully,

Superintendent.

My dear Sir:

Your letter of June 12th has been received here, but in reply thereto I must state that your son David's period of enrolment does not terminate this year because he was enrolled too late in 1911 to get credit for the months of that year. In view of the fact that his period of enrolment does terminate in June of next year it is advisable to have him remain at the outing home where he now is and where he has the opportunity to earn money while he is gaining further valuable experience.

Trusting you can arrange to get along without David's help this year, I am,

Very respectfully,

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Dear Mr. Lipps:

Referring to your letter of October 4, with reference to David Thompson being allowed to return to Cherokee for a visit during the holidays I will say that I am willing for him to return on condition that he deposits sufficient funds with you to pay for his return ticket.

Very respectfully,

Cherokee, N. C.

Dear Mr. Henderson:

David Thompson has just been to see me about going home. He thinks his time is up, but his record card shows that he enrolled Dec. 2, 1911. Under the old rule he would have to remain until next June, but I am not particular about enforcing the letter of the regulation if there is good reason why he should go home when his 5 years are up. It might be well to let him go for a couple of weeks during the holiday season at Christmas, if you think advisable. Please let me have your recommendation.

I will try and get those books and desks off to you within the next few days. We have been so very busy that we just haven't had time to get to it.

Sincerely yours,

L/B

Dear Sir:

I have your letter asking if your son, David Thompson, cannot be allowed to go home to spend the holidays. You say his five years have expired and you think he is entitled to go. The records show that David enrolled on the 2nd of December, 1911, but according to regulations I could not pay his transportation home until the following June. He does not have enough money of his own in bank to pay his way home at this time and as I cannot use Government funds to pay his fare I can see no other way than for him to remain here until this coming June.

David is getting along nicely here, is well and fat, and I do not see any necessity for his leaving school in the middle of the term just for a little pleasure for himself and you folks at home.

Very truly yours,

D/B

Dear Sir:-

I am in receipt of a letter from Johnson Thompson of Swayney, requesting that his son David Thompson be returned to him. He gives as his reason for wanting him home at this time, that he needs him in his work.

David has signed to go under the cutting and he has been selected to go with Wesley Youngbird to a summer camp up in the mountains of Pennsylvania the first of June. As David has not been very well this last year, it was thought this would be a splendid chance for him to recuperate as well as to earn some money. He is planning however to visit his home during the latter part of August and I have told him I thought we could arrange this for him. Please advise me.

Very truly yours

Dear Sir -

I am writing you to day
I regard to my son David Thompson
asking you if you would not permit
him to come home now just as soon
as possible. I had written to Mr Sipps
last winter asking him to send him
home last winter. But he said to
wait until this Spring. And I am
very anxious to have him come. for this
reason we have sickness in our family one
of his brothers is sick and is worse now.
and I feel that I need him at home.

Yours Respectfully

Johnson Thompson.

Mr. Johnson Thompson,
Swayney, N.C.

Dear Sir:

Your letter requesting that your son David be returned home, was received several days ago.

As David has already made plans for the summer which he cannot very well changed, I do not think it wise to comply with your request. I realize that his time is up but for the boy's own good I think it would be better if he would return to you later in the summer for a short visit rather than go at this time.

While David has not been sick this winter he grew quite thin and I believe that the chance he has of working in a camp up in the mountains would be of great benefit to him.

Very truly yours,

Mr. John Francis, Jr.

Supt., Carlisle Indian School,
Carlisle, Pa.

Dear Sir:

Referring to your letter of May 18, 1917, with reference to the request of Johnson Thompson of Swayney that his son, David, be returned home, I have to advise that Johnson did not give you the real object of his wishing David to be returned. James Thompson, a former student of your school who is the brother of David is very ill and not expected to live but a few days. I see no special reason for David being returned since you say he has not been in good health. In fact it would seem that it would be highly detrimental to David to be returned to a hot bed of tuberculosis.

Very respectfully,

J. E. Henderson
Superintendent.
