Mrs. Frank W. Worth,  
Prospectville, Pa.

Dear Madam:

I have your letter with reference to Green George and I am sorry to learn that he has deserted from your home. I have notified Mr. Dickey who will be on the lookout for him. I would not have any boy to send you in his place as we have placed all we can spare from the school.

Very truly yours,

D-E

Superintendent

Supt. Indian School -

Dear Sir. I am writing to tell you that Green George left us today. He has been all we could ask never fast but always reliable and willing and we never found any fault with him. Last week my sister and her little girl visited me for the week, he has met them often and we had him down there for Xmas dinner <sup>once</sup> when he was here and they were with us here for dinner this year while he was with us. She is only 9 years old. Sat eve. we had company he was with us my son had several other boys here 15 and 16 <sup>page.</sup> they all played nicely, the fathers had gone to Masonic Lodge, we had refreshments he was with us then my sister put her little girl to bed and in about an hour she called and her mother went up and she said George was in her room and talking to her. My sister called me and went over and asked him and he said yes but she was crying and he went in. I may have

been a little hasty but I said. Why George  
I can not conceive of you taking the liberty  
to go in my sisters bed room I said I am  
so ashamed of you and after Mr. North and I  
have tried to do for you what we have and  
Mrs. Stevens (my sister) has always been so  
kind to you I am perfectly ashamed  
of you and I will tell Mr. North as soon as  
he returns. He was all very much upset  
Mr. North spoke to him about it the next  
morning and he said well I wont be about  
here much longer. Mr. North said now George  
dont talk like that you are to stay right  
here and never do any thing like that.  
However we folks went to church but  
Mr. North did not go but he was going  
out over the place and he went up and  
locked Georges door thinking perhaps he  
might get his clothes, he came in  
got a key and got his clothes and  
went. This is the first time he  
has ever done any thing wrong  
and we are all very sorry and  
Mr. North is especially sorry as

they always got along so well and  
he is most distracted for he expected  
to harvest this week, we have a large  
harvest of wheat and do not know  
which way to turn unless you can send  
George back, we will be willing to try  
him again or if you deem it best  
not to if you can send us another boy.

We could have gotten a boy that was  
with us last summer he was very good  
but we thought perhaps George would  
stay out with us and this other boy  
had to go to school in Sept. Kindly let  
us know as soon as possible  
as we do not know what more  
to make. We will send a check  
at once if you can send us one.

Mr. North asked me to write as  
he is very busy. Trusting you can aid  
us and all are very sorry this has  
happened.

Respt. Mrs. Frank North

Mr. Willie Johnson,

Whittier, North Carolina.

My dear Sir:

Since your letter of the 7th instant has been delivered to me I have learned that Green George has decided to remain at the outing home where he is now located until the opening of the next school year in September. That will afford him the opportunity to save a little money during the summer months and the chance to acquire additional valuable training.

I believe his plan to remain where he is a good one and when he is a little older he can seek work in industrial establishments in some of our larger cities if at that time he has not become specially interested in the work in some trade.

Very truly yours,

HKM.

Dear Madam:

Please tell Green George that I have received his letter addressed to Mr. Denny and have to say that he is to remain with you until his winter outing period expires. He has agreed to do this and I want him to abide by his agreement. If he takes things into his own hands, as he threatens to do, and returns to the school next week I will have Mr. Denny send him back.

Dear Sir:

I have a post card from Mrs. Osmun, the lady with whom your son Green George is living. She says that Green is very much better and is up now. I think that he did not have a very bad case of pneumonia. Mr. Dickey is with him now and in all probability will bring him back to the school. There is often so much danger of a relapse in pneumonia cases and we do not want to run any chance of Green getting sick again.

I am very sorry to learn that Green George has pneumonia. I have arranged for Mr. Dickey to go to you tomorrow morning. He will reach Belvidere on the afternoon train. He can help you take care of Green until the boy is able to be moved when he can bring him back to the school.

Dear friend:-

I am sorry to tell you that your son Green George has pneumonia. As you know he is living with Mrs. Joseph R. Osmun of Delaware, New Jersey. I had a letter from Mrs. Osmun yesterday telling me of his illness. She says she is trying to take good care of him and has had the doctor there twice to see him.

I sent Mr. Dickey the outing agent to see him this morning with the understanding that he would remain and help take care of him and as soon as he was able to be moved, to bring him back to Carlisle.

I will let you know from day to day how he gets along.

Dear Sir:

Just after I sent you my last letter regarding the condition of Green George I had a message from Mr. Dickey, who had gone out to see him in his outing home, that he and Green George were on their way back to Carlisle. He is here now in the hospital under Dr. Rendtorff's care.

He was not as sick as we had at first supposed. He is getting along nicely now and I do not think there will be any danger of his getting any worse. I will notify you if he should.

Mr. Lipps has written me relative to your advice regarding Green, and I will comply with your wishes in the matter.

Dear friend:-

I have your letter and am sorry to learn that you are not contented. You say you prefer to be at your old home with Mrs. Camm. There was good cause for taking you away from that home and I think you know better than I do what that cause was. It would not be wise to send you there again.

I learn from your letters, Green, that you have a habit of grumbling. You are with Mr. Worth this fall because you asked to go there. You said you liked it when you were there before and you liked the school because it was near your home. Now you are complaining about the very things you asked for.

I am informed that when you were at the school last winter, you were not satisfied and that you were wanting a change of some kind all the time. Now you should get away from that Green. You are old enough now to know what your mind is and to settle down to some real earnest work. Get interested in your school work and see what you can do in advancing yourself in your grade this winter.

Mr. Henderson tells me that you have your own way to make in this world and it seems to me it is about time for you to get down to business. I hope I may not have any more complaining letters from you. I want to hear from you but I want good letters.

I am in receipt of your letter dated Oct. 26, 1917, enclosing a card which you have received from Green George, one of our pupils now in an outing home.

I am informed by Mr. Dickey and Mrs. Denny that Green is remaining out this winter upon his own request that if he ~~was~~ not allowed to remain out, he would go home as he did not like it at the school. The correspondence in his case shows that you have discouraged his going home so the only thing to be done in his case, was to grant his request to remain out. I am told that Green is of a complaining disposition and is hardly ever satisfied, no matter how well off he is. Now that he is attending school regularly, we hope he will be better contented.

Green George:-

I am sending to Mr. Worth, the post card which you wrote and to which you signed his name. I do this so that Mr. Worth may be on his guard hereafter regarding your actions. I see that you cannot be trusted when you will write something and sign some one else's name.

Do you know, Green, that this is a form of forgery which has gotten many a man into jail ? Do you realize that Mr. Worth could make a lot of trouble for you over this post card if he chose ? You have forged his name to a statement which is not his own. This is very wrong and he could use it against you if he wanted to.

I hope you will never be guilty of another such offence. I fear that if you will allow yourself to do this in small matters, you will be tempted some day to do it where the results will bring you into great trouble. Take warning now and never sign any one's name to your own statements.

Mr. John Francis, Jr., Superintendent,  
Carlisle, Pa.

Dear Mr. Francis:--

Answering your letter of March 9, 1918, enclosing a letter from Willie Johnson, the stepfather of Green George, one of the Cherokee boys at present living in a home under your outing system, I have to advise that I have seen the stepfather of Green regarding the matter and while he wishes very much to have the boy return to Cherokee for the summer he is not sure that he can keep Green at work.

It might be noted just here that Green did not live with his stepfather when on the reservation, but made his home at the school. I am of the opinion that if Green can be made to stay on a Pennsylvania farm and work that he can serve his country better than if he returns to Cherokee.

I am enclosing a card received from Green, saying that he will stay for another year. I am very much of the opinion that if Green should be allowed to return to Cherokee he would spend most of his time in loafing on the reservation, rather than in work.

Very respectfully,

Enclosure.

Sir:-

I am returning herewith Green George's letter to you.

Green is one of our North Carolina Cherokee boys at present working on a farm in our outing district. He has agreed with his employer and with the school that he will remain where he is through the summer and we are expecting him to keep his promise.

His case was referred to Superintendent Henderson who advises that he remain on a farm. His time at this school has expired but Mr. Henderson is of the opinion that should he go home now, he is the sort of a fellow who would most likely spend his time on the reservation, loafing.

Green is a good boy but is peculiar. He is always wanting something other than that which he has but is never quite sure what it is he wants. We must always decide for him. He has a fad for writing letters on all subjects. His file at the school is quite full.

When the spring work begins, I will have the outing agent visit him and find out if the amount of work he does warrants more compensation.

My Dear Sir: Am very sorry we were rather discommoded by Gorn going away at this time and altho I was put about to get thro with the harvest work, would say that we are getting along nicely.

However would appreciate your sending me a boy in August or whenever the fall outing is made as I have considerable fall work to get in shape at that time.

Am Enclosing check for balance of Gorn's acct. and trust this will be satisfactory to all concerned.

Thanking you for your very courteous consideration in the past and awaiting a favorable reply, I am,

Yours very truly,
