Dear Madam:-

I write you with reference to three of our Indian girls who have been taking training in our school hospital since last September and who now want to enter a large city hospital for professional training. For your information, I will give you a little history of each girl.

Agnes Owl, a Cherokee from North Carolina, is 22 years of age and is at present carrying the work of first year high school. Her grades for the Fall and Winter terms are 95 and 93 in English, 93 and 95 in Physiology and Hygiene, 57 in Vocational Arithmetic and 73 in Algebra.

Charlotte Smith, a Chippewa from Michigan, is 21 years of age and is also doing first year high school work. Her grades are 80 and 82 in English, 82 and 92 in Physiology and Hygiene and 53 in Vocational Arithmetic.

Leona Cecil, a Piegan from Montana, is 21 years of age and is one year behind the other two girls but is stronger in her work than the others. Her present average of all subjects is 93. She will be a strong first year high school girl next year.

The following is the statement of our School Physician, Dr. Rendtorff, regarding the work of these girls the past year,- " I am glad to hear that Agnes Owl, Charlotte Smith and Leona Cecil have made application to continue their studies in Nursing. I am also glad to say that I can recommend all three girls very highly. They have worked industriously all winter and have shown a keen interest in their work. Their general behavior has been of the best. "

I will add that all these girls came to Carlisle from their distant homes, for this special training. They know what they want and have bent all their energies towards getting it. They are exceptionally nice girls, pleasing in appearance ^{and} in manners and I take great pleasure in recommending them to you as applicants for your training school.

Should you have openings in your hospital for the three or for one, I will be glad to hear from you. These girls want to ^{but} begin work September 1st would go at any time there was an opening, rather than miss their opportunity.

Thanking you for your interest in our girls in the past,

I am

Very truly yours

Acting Superintendent.

DEPARTMENT OF THE INTERIOR
UNITED STATES INDIAN SERVICE

April 4, 1916.

Mrs. Denny:-

All three of these girls are high class people. Agnes and Charlotte are one year ahead of Leona. Their grades for the fall and winter terms are as follows:

	AGNES OWL <i>22</i>			
	English	Phys. & Hyg.	Voc. Arith.	Algebra
Fall term.....	95	93	57	
Winter ".....	93	95		73

	CHARLOTTE SMITH <i>24</i>			
Fall term.....	80	82	53	
Winter term.....	82	92		(Not finished)

From this, you will see that Agnes is the better of the two, as regards capacity for "getting away" with academic work, although Agnes is inclined to be weak in mathematics, *while Charlotte is weak*. These two girls have at present first year high school standing, on the basis of the organization of the public schools. Next year, they could take up some subjects in second year high school, especially English.

24 yrs -
Leona Cecil is, I believe, the strongest of these three girls in every way. As above stated, she is one year behind Agnes and Charlotte, but her work has showed up in better form, and had we known just what she was able to do, we might have put her in the same class with them. When she came last fall, she said she was prepared to enter Grade VII. It soon became apparent that she could do better than that. At Christmas, we put her into Grade VIII, and her grades for the term ending February 14 showed her to be leading the class, even although she had been there only a few weeks. Her average of all subjects studied is about 93.

She will be a strong first year high school student for next year. She could carry five or six high school subjects.

I hope the foregoing is what you need. If there is anything else I can look up for you, please telephone or send a note.

Sincerely,

J. S. Steff

Dear Agnes:

Your letter addressed to Mrs. Denny comes to me for attention.

The records here show that your term of enrollment here has expired and that you are entitled to go home this summer. If you will let me know just a few days before your vacation begins I will make the necessary arrangements for sending you home.

I presume you understand that as you are of age we cannot pay your way back and that when you return to Philadelphia you will have to do so at your own expense.

I am glad to know that you are getting along so nicely and I shall be glad to have you spend a few days with us when you are on your way to your home.

I have just returned from Cherokee with a party of 12 nice boys and girls. While down there, I learned that in all probability you had returned to the hospital. Before enrolling you, I would like to know if it is still your intention that this be done. I think you should enrol and hope to hear from you soon that you think as I do about this.

I have your letter of the 23rd inst and have had your name taken up on the rolls today, so again you are one of our outing pupils.

I returned from Cherokee a week ago Sunday with twelve pupils, nine boys and three girls. Among this number were Margaret Wahyahneta and Sampson Blythe. Elizabeth Bird did not return with me and I am afraid she will not come back now.

We are all glad to know that you and Leona are getting along so nicely. Had you heard that Eva Jones is in the German Hospital in Brooklyn and that Mary Wilmet hopes to get in by the first of next month? We are proud of our nurses.

I will add that all these girls came to Carlisle from their distant homes for this special work. They know what they want and have bent all their energies towards getting it. They are exceptionally nice girls, pleasing in appearance and in manners and I take great pleasure in recommending them for your training school.

Should you have openings in your hospital for all three or for one, I will be glad to hear from you. These girls want to begin their work in the training school the first of September but would go at any time there was an opening rather than miss their opportunity.

Thanking you for your interest in our girls in the past and trusting that you may be able to help these girls, I am

Very truly yours

Acting Superintendent.

My dear Mrs D'Arny;

Am writing you in
regards to my going home
this summer. I realize that
my time is not up until
October, but I would like
very much to go.

I only have three weeks
and they seem to think I
ought to go. I would feel
much more like going on
with my work knowing
I was home even though
its only three weeks.

I intend coming back for I wouldn't
thinking of losing all these eight months
I've already put in and I still love
the work more than ever, It certainly
is an interesting place something
new each day to learn and see.
And every one has been perfectly
grand to us girls.

No doubt the home party has already
gone, which would have been
impossible to go with them.

I've asked ^{for} my vacation the 15th of
July but have an idea they'll
send me before that time as I'm
due out of the diet kitchen just
about that time, and they usually
send them right from there.

So I would like to hear what
you and others think of it.
Of course I know I'm welcome at
Carlisle.

Hoping to hear from you soon
Lena sends love

Sincerely,
Agnes Owl.

Mr. Francis
Carlisle. Pa.,

Dear Mr Francis;

I was under the impression that I was still under the school until I received your letter asking whether I was to be enrolled. I meant to be and would still like to be under the school for then I can feel that some one is interested in me and my work, and I'm doing all I can to have good reports sent into the school

Was sorry I did not see you on my way home - time was

both taking the second year ~~studies~~
so I guess we past our first years
work all-night. Leona is still on
night duty but we see each other
for a few minutes at a time, but
we are happy here, but often think
of Carlisle.

Trusting that I can be enrolled

I am Sincerely
Agnes Owl.

Too short, but I certainly enjoyed
the three weeks home.

Father wrote me that you were
there and you no doubt brought
Margaret and Sampson Plythe
along back with you, I hope you
did, as they were anxious to
get away from home, for a
change. I've often wondered if
Lizzie Bird came back. I tried to
make her come but the outcome
wasn't successful, then three
weeks was a short stay for her.

Have seen Addie, and several
of the girls in the past month
I must tell you am starting
my second year now, and
the work is more interesting
each day. Leona and I are

Dear Sir:-

In reply to
your letter of April 26th would

Miss C. Smith care to fill
out an application blank,
we would consider their
application.

Very truly yours,

to take her in, Mr Fox referred
her here so I really - though it
was all-right and I didn't know
Miss Johnston's address. Agnes will
be here for some time as her
operation is a mastoid and requires
good treatment for some time.

The doctors told me ^{to} go down
and see her any time I wanted
that is when off duty. I run in
to see her every chance I have.
Am sure she will get along
all-right. If any-thing should
happen will let you know.

In closing we both wish to

Dear Mrs Lenny;

Am almost ashamed to
write because its been almost two
months since I spent such a lovely
time at Carlisle and I've never
written any one since I came back.

Little did we dream that some
of our happiest days were spent
there some time ago, would be
the last for us. I was almost
heart broken when I read of the
school being closed although it
is being used for a good one
can't help but feeling blue about
it.

But we are glad that we have
taken up every opportunity that

Carlisle has offered, to us and we are proud of Carlisle and always will be.

No doubt Miss Cecil and I will stay right here until we are through which is only one more year yet we are not sorry either.

I don't know what you people think of us for not writing anyone, telling of the lovely vacation we spent with you all really it did us a lot of good to see every one so interested in us it has given us more courage to go through this last year. Every one was so good to us while there that really I hardly know how to thank you but we both do. I am sending you a couple of the pictures that we took that Sunday we spent on your porch - they are real good of the bunch I think.

How has the weather been at school? It has been fierce here for three nights it was almost impossible to get a breath of air but it is much cooler to-day, we certainly wish for some of the shade at Carlisle.

Perhaps you heard that Agnes Littlejohn is here in the hospitable sick and is going to be operated on to-morrow at 1:30. The directors
