SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a nonreservation school. The Superintendent of the nonreservation school will retain the original for his files, and the duplicate shall be deposited in the reservation school records. The reservation superintendent should send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

If the information called for on any part of the blank is not known, that fact should be stated. No space should be left unfilled. Whether the parents are living or dead, their names must be given.

The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case but in all cases where the parents are living they should first be consulted.

Mr. Thos. Harwood,

Dear Sir:

I am sorry I have been negligent in not notifying you relative to your sons going home. William received the \$125.00 which you sent, but as this was not enough for both of the boys he allowed Paul to have Seventy-Five Dollars of this amount and we started him home on Wednesday, June 19th. The boys rather handled this themselves and I thought that they had notified you what had been done. Our rules as you know request that both fares be deposited for each boy. It is an expensive trip for both boys to go home since the railroad fares have been raised.

Paul has a deposit of Fifty Dollars which is not enough to pay his fare back in the fall. There should be an additional deposit made by you of Eighteen Dollars. I believe that William would be satisfied to remain east and work in the shipyards this summer.

Very truly yours,

D-E
