Mrs. Mitchell Sawatis
Hogansburg, N. Y.

Dear Madam:-

I wired you as follows this morning,

"Catharine suffering attack acute
appendicitis. Request authority
to operate if necessary. Wire. "

This is the second attack which
Catharine has had this fall. The first was
not so serious and the doctor did not think it
necessary to report the matter to you as she
was otherwise in good physical condition. He
reports this morning that Catharine had a bad
night last night. He recommends an operation
at this time before she becomes worse. If you
consent, we shall take the very best of care of
her.

Very truly yours

Superintendent.

INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Dear Sir:—

I am very much
pleased to know
that my children
are learning so well
at the school. Only
one thing I do not like
is to have Catharine
out in the country-homes.

I would rather have
her at Carlisle than
any where else.

Dear Madam:-

I have your letter of the 9th inst relative to your children. They have been good children most of the time. Josephine especially, has made an excellent record this winter. She was promoted to a higher grade just a few weeks ago.

Catharine was under the outing last winter so was given a chance to return to the school last fall, which she did. After she was here a few days, she decided she liked the outing better and signed to go out again. She seems to be getting along all right. If you have any special reasons why you prefer to have her here, I will be glad to have you write me again.

Very truly yours

Superintendent.

Mrs. Mitchell Sawatis,
Hogansburg, N. Y.

My dear Mrs. Sawatis:

Yesterday I telegraphed you advising you that Catherine had appendicitis and requesting permission to have her operated upon if necessary. I have just received your answer authorizing an operation if necessary.

Catherine had a good night and this morning is resting easier. She has no temperature and apparently is getting along very well. The Doctor considers that she will get over this attack without and trouble and without an operation but he feels that there is danger of another attack. It may be weeks, or months, but when that attack comes he feels that she should be operated upon immediately before the case runs so far that the operation will be very serious. I talked to Josephine about the case and she will write you today.

Of course any operation is more or less serious and I like the parents of the children under my charge to be fully advised of conditions and I like to feel that I have their consent to authorize the Doctor to take such steps as I would were it my own child who was ill. You can rest assured that Catherine will have the best of care.

Sincerely yours,

Sup
