Mr. John Francis Jr. Supt.

Carlisle, Pa.,

Dear Sir;

Your letter of 25th inst.
regarding the diploma was received
this afternoon.

Mr. Blain, has made me no such
a promise regarding the diploma
Mr. Bradley, as well as Mr. Lipps
made it plain to all applicants
for the Ford factory that unless
they had completed the second
year vocational class they would
not be permitted to enter the
Ford factory unless they were
old and in the lower grades.

and those finishing the second year vocational class, would receive a diploma under the old course of study, after they had completed their course here at the factory.

Last spring some of the boys completing their course here at the factory here and only being in the second year vocational class have already received diplomas under the old course of study.

I intended to leave school some time before I did with the earlier parties, but Mr. ~~Brody~~ Brody promising me if I stayed until I completed the second year vocational class I would receive a diploma after completing my course at the factory, so I was expecting it. If however you don't see fit to award me

a diploma I shall not feel
hurt, I have put a lot of hard
effort to receive one, and would
like something to show for my
effort, But what good is a diploma
to a man if he hasn't the "stuff"
in him to show he is a man
in the world.

I will close, I am sincerely
yours. Leon A. Miller

Dear Leon:- I have referred your letter to Mr. Blair and he informs me that he recalls no promise to you that you would be given a Carlisle diploma when you finished your Ford Course. It was decided last spring that no more diplomas such as were given to some of the Carlisle boys who did not complete the academic course here, would be given out.

I am glad to know you have such a good position of trust. I hope that you may make good there and go on up to better things. With my regards, I am

Mr. John Francis Jr.
Carlisle, Pa.,

Dear Supt.

I thought I would drop you a line or two and let you know how I am getting along, and to inquire about my diploma.

I finished the student course here at the Ford Motor Company about five weeks ago, and at present I am an inspector in the Aircraft dept. here at the factory. I have quite a bit of responsibilities on me, but

I enjoy my work, and
pleasant surroundings.

I expected to attend school
for commencement and thought
I would wait until then and
speak to you regarding my
diploma, since we are very
busy I find I will be unable
to make a visit to Corlies
for commencement. Since I
have been in the employ of
the Ford Motor Company I have
not been absent or tardy
once. I think that is saying
quite a bit. About two weeks
ago I got leave of absence for
four days and went to visit
my sister who was sick at
a hospital in Chicago, and I
can not afford to lay off, speaking
from a financial standpoint, as
well as falling sideways

for the minute you fall down
they have a man ready to
step in and take your place,
and I feel fully capable of
holding down my job, and am
going to try hard and do it.

I expected to come to Detroit
about a half a year sooner
then I did, but I had an
understanding if I stayed at
school and finished the second
year vocational class under
the new course of study I
would be entitled to an old
diploma or a diploma under
the old course of study.

Please write me at your
earliest convenience concerning

same.

I am sincerely yours.

Remarks and recommendations of superintendent with reference to eligibility and need of Federal aid:

Superintendent.

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Mr. Leon Miller,

University Pl., Evanston, Illinois.

My dear Leon:

The application that has been forwarded to cover your re-enrolment at Carlisle for an additional three year period is now satisfactory in every respect and it is being arranged so that a ticket will be made available for your use with the North Western Company's agent at Evanston. It should be ready within a day or two after the receipt of this letter and it is hoped you can arrange to come on without delay.

A number of new students are coming in for the year's work and when school opens next Tuesday morning we should have the various classes quite well filled.

Very truly yours,

HKM.

Superintendent.

Mr. Leon A. Miller,

University Pl., Evanston, Illinois.

My dear Friend:

Referring to the letter you addressed to Mr. Meyer at this school on the 10th instant, this is to advise that it can probably be arranged to enroll you again for an additional term. It may be necessary to secure authority from the Office at Washington because you reside where there are ample public school facilities, but the very good record you made during the last year or two of your former period of enrolment would justify recommending that your return to Carlisle be allowed.

I am having enclosed herewith a blank upon which an application may be submitted to me to be placed on file and it should be filled out for a three year term if you expect the Government to provide transportation for your use.

Noting in your letter that it is your intention to qualify for selection when an opportunity is again given boys from this school to go to work in the Ford Company's shops at Detroit, Michigan, I must advise that you cannot be assured of such selection. However, there should be some other trade in which you can gain sufficient proficiency in three year's time to

-2- Mr. Leon A. Miller.

enable you to work your way thru some other school when you leave Carlisle.

Hoping I shall hear from you in time to complete such further arrangements as are necessary to effect your enrolment, I remain,

Your friend,

HKM.

Dear Sir:-

I received your letter a few days ago, and was glad to hear from you.

My sweater reached me safe, and I appreciate it very much.

In regards to my other sweater that I played in, that was the one Boyd Crowe let me use, and I returned it to him.

I have returned home again, I got through up in Wisconsin.

I had a fine place, and had a good boss.

As I said I am back in Cranston. work is very dull there are a large no. of people out of work ~~for~~ here I am afraid if I stay here I can not continue with my schooling which I would very much like to do for the reason that work is so slack here that I can't make enough money to attend school.

But I would like to return to school this fall and take a three year course, and during the summer -mer go to work under the school system at Fords shop, and after a summer or two I should think I would have enough money to help me attend school here in Cranston. Hoping to hear from you soon I will close. Sincerely Leon C. Miller

My dear Friend:

I have received the application you forwarded to cover your re-enrolment at Carlisle, but it is not as completely filled out as is required. A new blank is being enclosed and I suggest that you have your mother go to a Notary Public's office with you to have it filled out. You will note that the affidavit at the bottom of the first inside page must be signed by your mother before a Notary Public.

As there is probably no question about the condition of your health being as good now as it was when you left here to go to your home the expense of an examination by a physician need not be incurred.

Hoping you will take time soon to get your application properly filled out, I am,

Very truly yours,

Dear friend Leon:

This reply to the letter you addressed to Mr. Meyer on June the 23rd has been so long delayed because of his absence from school. It is hoped, however, that you have received your trunk before this time.

The trunk was shipped to Evanston within a very few days after your left here and can be secured by your mother at the North Western Station if it has not been delivered to you. It was sent out under a "double check" and needs only to be identified.

Will you let me hear from you at once upon receipt of this letter whether the trunk has been received so that it can be decided what further action must be taken to get it to you without further delay?

With best wishes, I remain,

Very truly yours,

INFORMATION REGARDING RETURNED STUDENTS
PART 1
REPORT BY NONRESERVATION SUPERINTENDENT OF RESERVATION SCHOOL PRINCIPAL

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Indian Office, Washington, D. C.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Mr. Walter Hall,

Mukwonago, Wisconsin.

My dear Sir:

At the request of Mrs. Celeste H. Douglas of 600 Davis Street, Evanston, Illinois, I am writing you in behalf of Leon Miller, a young man from Evanston, Illinois, who desires to secure a place with you as worker on your farm.

The young man was enrolled at this school for a five year period and left here only on Monday evening of this week to go to his home. He has just grown out of his boyish ways but has always been a gentleman while at Carlisle. He has had one full year's experience on an eastern farm under the "Outing System" as it is conducted in connection with the work at this school, where his duties, I believe, were of a general nature rather than special dairy work. He is ambitious and anxious to go ahead and I do not hesitate to state that he is entirely worthy of being given a trial. If carefully instructed he should acquire quickly a knowledge of work unfamiliar to him at the beginning.

Very truly yours,

HKM.

Superintendent.

Dear Sir: - Mr. Walter

Hall, a dairy farmer of
Mukwonago, Wisconsin, wants
a man on his farm, and A. Leon
Miller was recommended to
me for the place.

He referred me to you as to
his character, qualifications,
etc.

May I ask you to tell
Mr. Hull what you know
about the young men?
Mr. Hull is a small dairy
farmer keeping only one
or two farm hands, and he
has three young children.
Is Mr. Miller the sort of
man a man would feel
justified in bringing into such
a home? And has he had
experience in dairy farming.

I enclose an addressed
envelope and will be

Under obligation if you
will write to Mr. Hall
about the young man.

Sincerely

My dear Leon:

Referring to the letter you addressed to Mr. Meyer at this school on the 11th instant, this is to state that your trunk was shipped the day after you left here under what is known as "double-check". If you have not received it you will just have to identify it at the North Western Station in Evanston and then it will be turned over to you.

Regretting very much that your trunk was not forwarded the day you left and hoping that this delayed reply has not inconvenienced you in any way, I remain,

Very truly yours,

I arrived home safe and
am getting along well.

When I went to town to
get my ticket the agent
told me to call for it that
afternoon, and I did so.

I got my trunk check to put

no trunk to check

I guess George Folks did not bring it down to the station because there was not a check on it, so I left the trunk check at the depot so will you see that my trunk gets started for Evanston.

Mrs. Nora Miller,
815 Univ. Place, Evanston, Illinois.

My dear Madam:

This is to inform you that arrangements are being made to have your son Leon leave here this evening for your home. His period of enrolment has terminated and transportation to Evanston is being provided for his use.

In this connection I will also state that your son has developed into quite a fine young man. I understand that for the first three years of his enrolment here it was hard to decide whether he would ever amount to very much, but he has given up some of his boyish ways and is now ambitious to continue with his education. He has been especially earnest during the last school year and I believe I am safe in saying that Leon will be a credit to himself if you can assist him to get additional education.

I would thank you to let me hear from you from time to time about your boy, so that I can keep in touch with him and with what he is doing.

Very truly yours,

HKM.

Superintendent.

My dear Madam:

I am sorry to learn that your son Leon has not written to you for some time, and I can only hope that the letter I am writing to him today will make him see the necessity of writing you at once.

Leon is yet staying with the family of Mr. W. M. Cubberley at Robbinsville, New Jersey, and our last reports regarding him were entirely favorable. He was well at that time and no other information to the contrary has come to us since then.

Hoping that you will hear from him soon and that this favorable report will be confirmed in his letter, I remain,

My dear Friend:

I have received a letter from your mother in which she makes anxious inquiry about you. She stated that you have not written to her for some time.

It seems hardly possible that such inquiries from your mother should have to be brought to your attention not less than once or twice each year, and the least you can do now is to write her at once.

You well know that your mother has done a great deal for you, that she is making many sacrifices for you now, and it is hoped you will not again neglect her as you have again been doing.
