Charles and Fred Walker,

Box 428, Walthill, Nebraska.

Dear Friends:

I was pleased to receive your letter of September the 9th and to learn that you are planning to return to Carlisle to continue with your studies. I would prefer to have you come sooner than October the 1st, but because you are now busy at home it will be satisfactory to have you come at that time.

I have not been anxious this year to enroll students who are less than fourteen years of age, but if you decide to bring your brother with you and Superintendent Young will approve the application for his transfer I will admit him. You will understand, of course, that your father would have to pay for his transportation because he is not yet fourteen years of age.

I enclose herewith a blank upon which the application for your brother's enrolment may be submitted to your Superintendent.

Very truly yours,

Supervisor in Charge.

Dear Sir,

We are Charles and
Walker. Your letter some-
times has arrived at
the Wagon to the Agent
and it has been stated
that the transportation has
arrived for our fare.

We are very anxious of
coming back there but we
still have some work
to do on our father's farm
and at the same time our
stepfather is very ill
with Consumption as
the doctors have said
so we have to make hay
for him and thresh oats
yet so we expect to
return there on the 1st of Oct.
I must state again that
our father likes to you have
you to another fare for our

13 year brother as we like
bring him along on that
day as we will be looking
for a letter from you about
his fare.

We are getting along fine
on our farm prosperously.
This is all.

Yours Chas & Fred

Should he receive assistance to find employment?

At what employment do you think he would do best?

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Indian Office, Washington, D. C.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Superintendent, The Omaha Agency,

My dear Sir:

I thank you for your favor of the 17th instant, with which you forwarded approved applications to cover the re-enrolment at Carlisle of Charles and Fred Walker. As there is no question at all about the eligibility or the worthiness of the Walker boys transportation has been ordered placed at Walthill for their use, subject to a request from your office that the tickets be delivered. It is suggested that the agent at Walthill be instructed just about when the tickets will be used.

Let me state in this connection that I should like to see a number of other Omaha boys come to Carlisle if I could be assured that they would prove to be as earnest in their desires to get an education as have been the two Walker boys.

Very truly yours,

NOTE.—One of these blanks should be filled out by each pupil at Government boarding schools, preferably with the assistance of the superintendent or some one designated to act as his representative. If the superintendent is of opinion from the information given that the pupil is entitled to enrollment he should so indicate by signing the blank in the proper place and filing in the individual pupil's folder. In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.

Charles
Since telegraphing you this morning that the Walker boys were not to go home and the ticket placed for Fred should be cancelled, I have had a talk with Charles and I have decided that if all goes well I will let him go home after our harvest is over here. His reason for wanting to go home is that he fears he might be ordered to go to war and he wants to see his mother and his other relatives before he leaves.

You can return the money which you sent to pay his car fare and I will allow him to go home some time after the 15th of next month.

Dear Sir:-

I received your letter inquiring about your boys Charles and Fred Walker and have to advise that you have been entirely mis-informed regarding them.

Charles is here at the school. I was talking to him this afternoon. You have likely received my telegram stating that he had changed his mind about going home now.

Fred Walker is at a Boys' Summer camp at Pecket, Massachusetts for the summer. He was disturbed for a while because he wanted to go home but I think he will be satisfied to remain where he is for the summer now that he knows Charles will not go home.

Local Draft Board,
Walthill, Nebraska

Gentlemen:

This morning Charles Walker, a student at this school, brought to me a card from your Local Board which shows that he has been classified in class 1a. Charles asked me if it was necessary for him to take any steps in the matter. I advised him that this was the formal action on the part of your Local Board after examining the questionnaire which I supposed he had filled out.

Charles then advised me that he had never received a questionnaire from your Board and I presume that he was classified in the first class by reason of the fact that no return was received from him.

Charles does not, in any sense, object to the classification and he is willing to serve his country at such time as he may be called. This letter is not written in any sense as an appeal from his classification but it is written so that if he was classified by reason of the failure of your Board to receive his questionnaire, that it may be of record that he personally did not receive the questionnaire. If, as I assume from Charles' statement, he was arbitrarily classified by reason of the fact that his questionnaire was not returned to your Board, I would be glad if anything could be done to remove the suggestion of failure or delay upon acting on so important a matter from his record.

Charles would be glad also if he is called for examination that your Local Board transfer him to the Local Board at Carlisle for physical examination.

Sincerely yours,

JF-E

Dear Major,-

I am in receipt of your letter saying that you are now ready to return to Carlisle. I am very glad to know this Charles. It pleases us when boys are willing to give up their vacation at home because they believe that they can do a little better by returning to Carlisle. Newman Little Walker returned to us about two weeks ago and we were all very much pleased to see him. He is now in charge of the blacksmith shop while Mr. Shambaugh is away.

Now as to arrangements for your return, you understand that I cannot pay your transportation from government funds for the reason that you are over 21 years of age. I can pay your fare and will be glad to do it if you can get up a party of six or more pupils and bring them to Carlisle. If you cannot do this you can pay your own fare and come at any time. Let me hear from you as to what you will do.

Mr. Francis left for Fort Niagara, N. Y. about a week ago. He was delighted to go but we were all sorry to have him leave us. We have a very small school now since the ship yard boys left. We have plenty of work but we do not mind it as we have beautiful cool weather.

Hoping that you will have a pleasant vacation and that you will be able to return to us soon, I am

Carlisle, Penna.

Dear Mr. Peel.

Perhaps you will wonder who this is writing but its only ^{member} one of the Lacrosse team of 1918. It is Chas Walker.

Mr Peel, I have been home few days but I am tired of the reservation life already and I am thinking about returning to Carlisle in very near future. I wonder if you can make arrangements for my fare so I can start about 13th of this month. My folks thought it would be best for me to leave early before I am ^{used} ~~accustomed~~ to this tiresome life.

Of course, I worked few days on the my father's farm and I am through with what was left to be done. Now that I am ^{free} from work and have nothing else to do I want to come back to Carlisle.

I am well and also my health is much improved I am sure.

I was in the Drafting Army but I could not pass in ~~my~~ my ~~physical~~ physical examination so I was told to continue my education.

I am writing this letter in Mr. Bost 's office at the Indian Agency and he said it would be good thing for me ~~to~~ to return so soon.

Hopin to hear from you soon I remain.

Charles and Fred Walker,
Walthill, Nebr.

My dear Friends:

As there is but little time left before the opening day of school on September the 1st I am arranging so that transportation will be made available for your use at Walthill, Nebraska. The tickets should be ready within several days after the receipt of this letter and it is hoped you can come to Carlisle in time to resume your studies with the other members of your classes.

Hoping that you can report a very pleasant and profitable summer at home on your father's farm and that I shall see you soon, I remain,

Very truly your friend,

HKM.

Supervisor in Charge.
