Mr. Joel Wheelock,
Mt. Union, Pennsylvania.

My dear Sir:

I have noted the request contained in your letter of August the 28th and in reply thereto must state that transportation for your use from Mt. Union to Carlisle cannot be placed.

Athletics are being conducted differently at Carlisle than has been the custom and no inducements whatever can be held out to students who desire to be enrolled or to former students who desire to return to school for the purpose outlined by you in your letter.

Very truly yours,

HKM.

Supervisor in Charge.

MT. Union, Pa.

August 28-14.

Supt. Indian School,
Carlisle, Pa.

Dear Sir:

I wish to get experience
in coaching under Mr. Warner
this fall, and aid him in
all I can. For further information
ask Mr. Warner I have written
to him. For this I hope it
would be possible to place
a ticket for me at this
place as soon as possible,
for me to come to Carlisle.

I am,

Very truly Yours

Dear Sir:

Check No. 31825, amounting to \$0.13, drawn in your favor on September 24, 1913, is still outstanding and is causing us considerable trouble. Will you please look into the matter and advise me if you still have this check in your possession? If so, I would greatly appreciate it if you would cash same or send it to me properly signed and endorsed, and I shall be glad to return you the cash or postage to cover.

I am enclosing herewith a franked envelope for reply which requires no postage. Please give this matter your early attention and thereby greatly oblige me.

Yours very truly,

Sir,

I have your favor of the 6th, enclosing check for 25.00 in favor of Joel Wheelock. Will see that he signs the check properly as desired.

Respectfully,

Supt. M. Friedman,

Dear Sir:

Joel Wheelock reports that he is about to enter College and needs \$25.00 for expenses. I enclose a check to his order for that amount which you may deliver to him, after he has signed it in your presence so that I may be sure of the signature. From a clipping sent me by Joel, I understand that he is to enter the Lebanon Valley College, with your permission, He still has a small balance which can probably be used to assist him further if necessary.

Very respectfully,

J. B. Hart.

Mr. Joel Wheelock,
Lebanon Valley College,
Annville, Pa.

Dear Friend Wheelock:

I have been asked to give a letter of introduction to you by Mr. Leroy B. Harnish, a senior at Lebanon Valley College. Mr. Harnish is the kind of a young man with whom it will be well for you to establish cordial relations. He was a student in the Carlisle High School, is an energetic young man of good character, and is doing a great deal to work his way through college.

Sincerely yours,

MF:SR

Hon. M. Freidman, Supt.,
Carlisle Indian School.

LEBANON VALLEY COLLEGE,
Annville, Pennsylvania,
August twenty-first.

My dear Mr. Feidman:

You will remember me as the reporter of The Sentinel, while a student in the Carlisle High School, and the young man whom City Editor Chas. H. Kutz sent out to report Dr. Surface's Arbor Day Address and the exercises of that day; of which the report in THE SENTINEL pleased you very much.

I am now a senior in L. V. C., and still feel it my privilege and duty to be loyal to dear old Carlisle. It is in the interests of C. I. S., and to show due appreciation of the many courtesies I received at your hands, that I ask for a letter of introduction to Mr. Joel Wheelock, who is to be a fellow student during the ensuing collegiate year.

I shall endeavor to interest and assist Mr. Wheelock as best I can to become better acquainted with L.V.C., and her student body.

Thanking you personally for the favor you have bestowed upon Lebanon Valley College, and hoping that Mr. Wheelock will be very comfortably homed during his school life among us, I beg to remain,

Most sincerely yours,

Leray Bowers Harnish

Suggestions for Supplying the Information Requested on this Blank.

1. The report of Non-reservation School Superintendents should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the year, provided the pupil is 18 years of age and over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with him, for the purpose of getting more in personal touch with the returned student, and finding out something about his wishes etc. The answer to this letter when received will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very essential in placing them properly, but height and weight could be approximated very satisfactorily, though from the pupil records now being gotten up, all information called for in part 1, of this blank, could readily be secured and be definite.

3. The State, Agency, and Tribe are important, and where the pupil is not attached to any agency, this fact should be stated as "no agency," and in such cases the Superintendents should give all available information as to the home and local conditions surrounding the pupil.

4. Where the out-going pupil has passed the Civil Service Examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the out-going student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be stated, as this fact largely determines the amount of efforts that will be made on behalf of any particular returned student: Qualifications being equal or even nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colorado.

8. Reports on out-going students from Reservation Schools, are made only on pupils leaving the school who are 18 years old or over, and who will probably not go away to school.

9. If Part 1, of this report is made out by the Principal of the Reservation School, the Agent or Reservation Superintendent should supply information called for in Part 2, if the Principal has not the necessary information on home surroundings and local conditions. Information in regard to home surroundings and local conditions is very essential to properly understand the pupils' difficulties and needs.

10. When Part One is made out by Non-reservation Superintendents, this blank will be sent by the Supervisor of Indian Employment to the Agent or Superintendent of the Reservation, where the out-going student belongs, to have Part 2 filled out. This should be filled out and returned to the Supervisor of Indian Employment, Denver, Colorado, as promptly as possible, for, practically nothing can be done, till the receipt of this blank, with Part 2 filled out by the Reservation authorities. The information "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.
