George did well for a couple of years or more got a nice girl for a wife and were all right, and then had companions, bad habits and finally a divorce. The wife fault I think. George married again with no better success in the way of happiness, he got shiftless and careless, would brace up now and then and get a job, but - well, he was on the down grade. Poor boy! Lost his hold on "the man higher up," and does not seem to care. He may brace up, I hope to.
