Dear Sir:

I would like to tell you that Yarnie is looked up to by the whole Indian Community with respect and is appealed to on most occasions as a man of good education and judgment. He never fails to respond to a call for help if he can do it. He is doing good work in the pottery and in most ways shows the fine training that he got at Corshale.

Yamie Z. Leeds,  
Seama, New Mexico.

Dear Friend:

I have your letter of December twenty-fifth, and desire to inform you that I wrote to Clifford a few days ago asking him for the name of his superintendent. We had a letter recently from the Indian Office saying that the money should be turned over to his superintendent, and just as soon as I receive this information from him, a check covering his balance here in the bank will be promptly sent. It is a pleasure to know that he is getting along nicely at his chosen work, and to hear of the continued progress of the other returned students of Carlisle, who are living in your neighborhood.

I hope that a number of earnest and ambitious young men who live in your locality will decide to further their education and training at Carlisle. I shall be glad to have any of these write to me or to have you submit their names.

With kind regards and best wishes, I am,  
Sincerely your friend,

MF:SR

Superintendent.
