Dear Sir : I am writing to you for the purpose
of informing you that very recently two of
the pupils at your School left without permission
one of these is Andrew Armstrong, He has
asked from friends that he knows here to send
him transportation so that he can reach his home
in this State. For the next few days these
two boys will be at the Sacred Heart Mission
House, Girard, Erie Co., Pa. If you care to
have them apprehended you will find them near
around the place above named.

Fred Peake, Class 1892, is now located at White Earth, Minnesota. He says:

"I wish to thank you for the book relating to graduates and returned students. It is deserving of great credit for imparting the information it does. I have not been in touch with the Carlisle School for some time, yet at heart I feel deeply interested in the great school. It is the greatest factor in the emancipation of the Indians. It has given a part of the race a great start for assimilation and citizenship in the American Government. I wish Carlisle great success."
