Mr. Howard W. Gansworth

My dear Mr. Gansworth:-

Our twenty-second annual Commencement is to take place the week beginning March 27th and ending Friday evening April 1st. I purpose to have among other exercises, a joint meeting of the Y.M.C.A. and the Y.W.C.A. on the evening of the 27th of March at which meeting, I would like to have short addresses from two leading members of the Alumni of the Carlisle Indian School.

I would appreciate it if you could help out by being present at this meeting and giving one of these addresses. I learn that you were an active member of the Y.M.C.A. while at school and in all probability, you have done some of the same kind of work among your people since. Your experience in this line of work as related particularly to the Indian and any suggestions you might have as to a better way of reaching your people through this Association, or anything along this line that would interest the pupils and guests at this Sunday evening meeting, is what I would ask you to give.

If it is possible for you to be away from

Mr. Gansworth-2

your work for that length of time, I would be glad to have you come Saturday March 26th to remain until after the Alumni meeting Friday evening.

I will be glad to pay your expenses both ways and to take care of you while you are here.

Trusting that I may hear favorably from you,

I am

Very sincerely yours

Superintendent.

Dear Mr. Friedman:-

I have your favor of the 14th, and accept with pleasure your kind invitation to address the meeting you speak of. I have arranged to leave the office for a week at that time, and so shall be able to take in the Alumni meeting as well. Nothing could be more welcome than to spend a few days at Carlisle. Having been a student there for four years and an employee for four more, I naturally have a very warm place in my heart for the school.

Wishing all kinds of success for
your 22nd annual commencement, *and thanking you for the invitation* I am,

Very truly yours,

My dear Mrs. Denny:

I am trying to get some money to send to Mrs. Given as a Christmas present from her boys. I think a good many of the boys who formerly were in the Small Boys' Quarters will be glad to have the opportunity to have a share in this gift. At any rate, I shall give all those whose addresses I can get, a chance to contribute.

I am enclosing a list of the boys whose names I remember. You will oblige me very much if you will give me their addresses.

If you can think of any other names to add to this list I shall be glad to have you do so. If there is any reason why any of the boys whose names appear on this list should not be approached about the matter, I wish you would say so.

and Thanking you in anticipation of an early reply, with kindest regards to yourself and Wallace,

Dear Mr. Friedman:-

I have your kind letter of the 24th ult., and your invitation to attend the coming commencement exercises. Nothing would give me more pleasure than to take a trip over to Carlisle and spend a few days at the Institution. It happens, however, that the President of our company is abroad at the present time and will not return until May. Meanwhile my own work will be considerably increased and it will be impossible for me to get away at this time. I hope some time to be able to make a trip to Carlisle and renew the friendships that I formed there.

Thanking you again for the invitation, I am,

Yours very truly,

My dear Mrs. Drury:

A friend of mine has asked for the Indian word or words for "Sleepy eye". He wants to use the word or words as a name for his summer cottage. I don't know any Indian language unfortunately and it occurred to me that you might be good enough to help me out. If you can, I will send for the Sioux, Seneca, Oneida and any other that you can conveniently pick up. Please indicate the language of the words given. The stamped envelope enclosed is for your convenience.

Ed Colegrove came in as I was writing this. He is doing some work for us on the side.

I know Edith would wish to be remembered to you and helloes if she knew I was writing.

With my best wishes and many thanks for your trouble,
Very sincerely
