Kind Sir -

Marie Le Siur, my step daughter who recently entered your school. writes me that she maybe put on to take piano lessons, if so she says her book will cost \$1.00. Herin please find the amt. and give it to the Music Instructor.

Marie writes that she found Carlisle just as I said it was. she is satisfied and happy. She has trouble with her throat as the medical report will show. We trust the Doctor there to do what is best. She will need dentist work done sometime. I suggest the Matron send some reliable girl with her as she may have to take something, her teeth are in bad condition. She wants to start in with her studies and feel at home first. Sorry the other girls are not satisfied. as I encouraged them to go there. If they could understand and just "fall in line", they would be happy. Be firm yet kind with Marie and keep her with good girls and I think most of your girls are good. and she will get along. We will put

money with you for Marie's use Dentist work &c.

I am a Carlisle graduate, and have encouraged many to go there, but I wish always to be a "Silent member". Please do not print anything about me or my correspondence - Always wishing you, - our school success - I am

Very Respectly,
