Frank Hudson, the greatest kicker, not barring Pat O'Dea, Marshall Reynolds, Billy Bull or John De Witt, who ever hoisted a spiral, was an Indian. He was the greatest goal kicker known to football, and one of his best stunts was to stand in front of the goal posts with five footballs in his arms. He would drop them in quick succession to the ground, and as each touched the earth he toed them through the goal posts. He could dropkick as far as fifty-five yards. 1910

Dear Sir:-

It is my unpleasant duty to inform you under the conditions of the bond of your company issued to me, dated Oct. 6, 1905, and duly renewed for the next year to No. 23743-5, on behalf of Frank Hudson that, the said Hudson has defaulted in his accounts to me as Superintendent of this school in the sum of $1410.62.

That the defalcation of Mr. Hudson only came to my notice this day by virtue of a transfer and investigation of his the said Hudson's accounts. The money was misappropriated by the said Hudson ~~for~~ in different amounts and at divers times since the date of your bond, from the daily balance of cash which came into his hands as clerk.

This notice is given in accordance with the terms of your bond and as a demand upon your company to make good this loss.

Mr. Hudson is still at the school and I await any instructions you may give as to him.

Yours truly,

W. A. Mercer

Major W. A. Mercer,

Supt. Indian Industrial School,

Carlisle, Pa.

Sir:

I have the honor of reporting to you that I have made a careful investigation of the accounts of Frank Hudson, your financial clerk and bookkeeper of the accounts of the pupils with the school, and who has at times small amounts of cash for the active banking privileges of the pupils at the school, and I discover that he is short in his accounts the sum of $1410.62.

I further certify that this shortage has resulted from small abstractions from the cash in his hands from time to time during the last year. I further say to you that in a personal conversation with Mr. Hudson he frankly acknowledged that he took these moneys from the actual cash which was in his possession as such financial clerk at the school; and that there was always a small cash balance in his hands for the active use in meeting the daily demands of pupils for spending money. Mr. Hudson further acknowledged that he knew when he was misappropriating this money that it would occasion a shortage in his accounts, and also that he did know that there was a shortage.

I can say to you that from my most careful and exhaustive examination of his books that he has abstracted and appropriated to his own use unlawfully the sum of $1410.62.

Very respectfully,

W. S. Cline

U.S.Special Indian Agent.

Mr. O.H. Lipps Supt.
Indian School,
Carlisle, Pa.

Dear Sir:.

I understand that Mr. Warner the foot ball coach is to sever his connections in that capacity in the near future, same being true I wish to state that I am an applicant for the position providing you are still open to

negotiations in the subject.

I am a product of the Carlisle School entering there as a small boy and was graduated in the class of 1896

My athletic career there needs no introduction having played and Captained its foot ball, basket, and base ball teams.

I have assisted in the coaching staff of Carlisle teams with Mr. Warner at short periods. My larger experience was with 1905 & 1906 teams.

I am thoroughly conversant with the method & system Carlisle has used pertaining to its athletes, and in all my experience as a member of its teams I have very respect for its discipline and maintained with the greatest credit to the school

As to my qualifications I need only to add that I have practically served in all branches from a player to its coach, manager & treasurer, I have it ground into me because those in authority deemed me competent & those are my recomendations

I will not take more of your valuable time, any more to add that my interest of Carlisle and its happenings is always uppermost no matter its at trials. Wishing the school under your care the greatest success I remain

Yours truly

Frank Hudson

Dear Sir:

I have your letter of the 1st inst. making inquiry relative to the whereabouts of Frank Hudson, a Pueblo Indian. I have to advise you that the last address we had of Frank was Wycombe, Pa. He was at that time working on a farm. The records show that Frank graduated here in 1896. For a short time after his graduation he was employed at this school, but left here to work in a bank in Pittsburgh. About the year 1906 he left the school for Wycombe where he has been located since.

Trusting that this is the information you want, I am,
