glad that "it was pay
to educate the Indian."
The best interest connected
with my life is education
I received at Carlisle and
after.

The Indian received education
in government school is
good and it might be
better if it basis on
the citizenship.

Education with the rights
of citizenship will please the
friends of Carlisle.

Your welcome.

There are two
here which you may
have heard of them before,
Fred. Big Horse, Chauncey Y.
Robe. Mr Big Horse is working
for his own living good as
any man would do.

Mr Yellow Robe is holding
position under gov't at
Repaid City Ind. School.
What good information does the
Department want of Carlisle
graduates. When it is plain enough
that Carlisle School alone will not
sillo the "Indian Question"

very truly yours
Chauncey White Thunder

Cuba cat - 8 19.

February 1912.

I received the letter of January 19th and was very much please with the invitation to the Blummi meeting and reception an commencement week.

I should be very glad to be there if I had means but I can not.

I always feel that I am here under "The Outing System"

although in its my
own home.

I like to say
this to outgoing class
of 12

It matters not
from what stand-
point of antagonism
may come, keep on
for an independent
living.

There are many
places for true efforts
so be true to your
heart and be
courageous whether
in service or

in private life.
It has been already
said that "He who
received education
in far east has
acquired citizenship
and self-sacrifice
for real." So
keep the right channels
for a definite goal
you have fixed.

This will be my
presence with Class
12 & School at large
Close with cordial
remembrance,
Laurence W. H. Funder
