I do not tell my people that to do  
this or that is the best way of living.  
I am trying to lead a Christian life, also  
keep away from the feasts and Ghost  
dances, for that is a great draw-back  
for a graduate or student from any school.  
I am still living to the best of my ability  
which I received at Carlisle.  
If this would influence one person,  
that is a great deal, for, of all the  
superstitions my people believe and so

ignorant, they have no knowledge of  
taking up new work,  
Some Carlisle boys and girls are doing good  
works, but others are disgraceful.  
This is not what you want, but for my  
part, I have been busy since I left Carlisle.  
I hate the words, "Dead Indian".  
Best wishes for you and the school.

12. Tell me anything else of interest connected with your life.
