Dear friend:-

It has often been said that students at various schools who have made a reputation as athletes, seldom amount to anything after they leave school. To show that this statement is not true as far as the students of the Carlisle school are concerned, I have prepared an article, to be illustrated, on the splendid success of some of our graduates and ex-students who while at Carlisle were conspicuous in athletics.

This article is to be published in the school magazine, the Red Man and also in pamphlet form for general distribution. The article is now ready and I am waiting for some suitable photos to illustrate it, and in this I need your help. Can you let me have a photo of your home? I will be glad to pay for having this picture taken. I would appreciate a prompt reply. Wishing you continued success, I am

Very truly yours

NRD

Superintendent.
