Dear Sir:-

Your letter of the 8th. inst., came a few days ago but have not inquired about other graduates around here, and have not been to Sherman Institute to know whether Mary Pradt has sent any information about herself. I think she belongs to Class 1900 or somewhere along there. She has been in California over a year and is attending the Riverside High School, but stays at Sherman Institute. I hear very good reports about her both in and out of school.

There is another ex-student, Joseph Scholder, but do not know whether he graduated with Class 1899. He is now employed at Sherman Institute as Industrial Teacher, and seems to be getting along nicely with his work.

I think those are the only two graduates that I know about in Riverside. The other ex-students around all seem to be getting along nicely.

With best wishes for the good work you are doing.

Very truly yours,

Anna M. Morton

Dear Friend:

I have just received your kind invitation to attend the commencement exercises of our dear old Carlisle School.

Nothing would give me more pleasure than to be there, but as I am so far away and cannot be present, I send my good wishes to the present class that are about to go out into the world. There are difficulties in the world but however poor your work is, it is never hopeless. You are a success if you make it a little better each day.

I shall be with you all in mind and ^{spirit} and shall follow the week's doings.

My very best wishes for the good work you are doing and thanking you again.
Sincerely your friend
Anna Morton Lubo Class 1898.

Dear Sir;

In sending this letter to you this morning, I am asking for information in regard to Antonio Lubo. Antonio's father was here a few days ago to see if we had heard anything from him or his whereabouts. and so am writing to know something of him.

Antonio is a cousin of my husband and while he has never been in the habit of writing often, we used to get a card or a letter once in awhile and his father and mother are quite worried over his long silence. He is the only son or in fact the only child of theirs, living and it has been over a year since they heard a word from him.

DEPARTMENT OF THE INTERIOR,
UNITED STATES INDIAN SERVICE,

In some way we heard a little of
some scrape he and some college boys got
into but never heard the truth of it or the
straight of it. Any information of him
would be gladly received and will
thank you greatly for all this trouble.

Very Truly
(Mrs.) Anna M. Lubo.
