Mr. Ed. Peters,

1137 E. Ave., S. W., Grand Rapids, Mich.

Dear Mr. Peters:

I am complying with the request contained in your favor of September the 26th by enclosing herewith a blank upon which an application for enrolment at Carlisle may be submitted to me for consideration.

It is desired that there be submitted with the application a statement from the school authorities where the young lady mentioned by you has been in attendance during the last several years to the effect that she has made a satisfactory record and that she is entirely worthy of being given a chance to continue with her education in a government school.

The desired change of address will be noted on our record cards on file with all the correspondence we have here regarding you and will also be noted in the business office at our Print Shop.

Trusting that your removal to Grand Rapids will give you enlarged opportunities and with best wishes for continued success, I am,

Very truly yours,

Supvr. in Charge.

Mr. Edward W. Peters,

Grand Rapids, Michigan.

My dear Sir:

I have noted in your letter of November the 6th that there are reasons to believe Agnes Kashago was born in the United States and that therefore she would be entitled to enrolment at Carlisle in so far as that requirement is concerned. However, as I had to be guided altogether by the application that was placed on file with me by Miss Muir I had to refuse her admittance here because it was noted that she was born in Canada.

In this connection I will add that the desired number of students for this year's work have been enrolled and that only very specially selected students who do not have any school advantages will be received after this date. The young lady in whose behalf you wrote me is now twenty years of age and has always attended public school, and as it is the desire of the Office at Washington to aid only those students who have not had another chance to go to school and not to extend the privileges of the government schools to those who have left their tribes it would not be advisable to admit her here

-2- Mr. Edward W. Peters.

even if it can be proven that she was born in the United States.

Other than the fact that she can hardly be considered entitled to an education at government expense is the lack of any information about her past record and her tendencies, so that her enrolment at Carlisle would seem to be a risk which it would not be advisable to assume.

Thanking you for the interest you have shown and hoping that the young lady can be given a chance to help herself, I remain,

Very respectfully,

Supervisor in Charge.

HKN.

Copy to Miss Muir.

Supt Carlisle Ind. Sch.

Carlisle, Pa.

Dear Sir;

I am informed by the
party who has made the
application for Agnes
Kestegs, that the office of
Supt of your school has
refused to enroll her be-
cause of the birth place to be
in Canada which to my
knowledge is not so on in-
vestigating I find that her

parents never was in Ottawa
Ont. Canada.

The fact as stated by her being
borne at the said place was
a rule to defeat her entrance
at Carlisle School.

It was not an oversight of
the parties who filled the vouchers
concerning her birth place,
but thought that her parents
residing in the State of Mich
and of the U.S. that her
application to the school
would be excepted because
of the facts as stated.

Dear Sir:- We have not
heard from Hathryn Peters
our daughter who was in
the country last fall and
had an operation. We wish
to hear from you concerning
her.

Dear Friend:

I have your inquiry regarding your daughter, Kathryn Peters, and have to inform you that Kathryn is now at the school and has been here all winter. The matron reports that she is getting along very nicely, goes to school each day, to her work in the sewing room and laundry with the other girls. She looks well and I think she has almost entirely recovered from her operation last summer. She has not been to the Hospital for any kind of treatment. I think you have no need to fear of Kathryn's condition at the present time, as she seems to be very well.

With
With best wishes, I am

Very truly yours,
