Supt. Friedman.

Carlisle Pa.

Dear Sir:

I first wish to thank you for the interest you have taken in me, in sending me the picture of Carlisle also in sending the Arrow.

I should have written before but my duties as a mother are so many.

I have three children, two are school age and one baby 18 mo old.

He rent a house in town and my husband works in town.

But the children are large enough now so I wish to go back in the Service.

Could you help us to get in. We are willing to start in any position - My husband is from Chillicothe and finished eighth Grade and took 4 yrs at engineering. He is still studying from the Scranton Correspondence School. He would like to be an engineer or an draftsman, but

is willing to do anything
else. I should prefer to be
an. nation as I had 2 yrs
experience at Chillicothe, or
as a seaman. but am willing
to do anything else. We
would like to be in the same
school. I am a graduate of
Carlisle in 1901 also took
Normal at Haskell. Thanking
you for anything you can
do for us.

We are very Respectfully

Alice Fowler Searcy

Dear friend:--

I have your letter of the 17th inst relative to getting work for yourself and husband in the Service and have to advise that you write to Mr. Charles E. Dagenette, Supervisor of Indian Employment, Denver, Colorado. State to him fully just what you and your husband can do. Mr. Dagenette is himself a Carlisle graduate and is always willing to help all other Carlisle boys and girls. I have written him in this mail about you.

I am glad to know you are happily married and that you have such a nice little family. I trust that Mr. Dagenette may be able to get work for both of you. Let me hear from you again as I am walways interested in the welfare of all the Carlisle pupils.

With best wishes, I am

Very truly yours

Superintendent.

My dear Mr. Dagenette:-

I have had a letter from Alice Powlas Sianz of Anadarko, Oklahoma, asking me to help her in getting work for herself and husband in the Service. I have written her telling her to write you all particulars. Alice is an Oneida girl, married to an Oklahoma Indian, a pupil of Chilocco. Alice is a graduate of Carlisle, a very bright girl. I hope you can help them get work as they seem in earnest about getting something to do.

Very truly yours

Superintendent.
