Dear friend:-

It is my purpose before long to issue an Outing number of the Arrow and Red Man. Among other facts concerning the outing, I want very much to publish some expression of the graduates and ex-students as to what the Carlisle outing has meant to them.

I understand you had some outing experience while you were a pupil here, while you were a regular student and while you were attending business school in Philadelphia. Would you be willing to write me a letter giving your Carlisle outing experience and telling in what ways it has been most beneficial to you.

If you can do this, I will be glad to hear from you soon.

With my best wishes to you, I am

Very truly yours

Superintendent.
