Carlisle Alumni Association,

my dear friends,

I certainly would like to be present at the
commencement and Alumni meeting, as a
visit to the dear old school, as well as to meet
old friends and make new ones.
But since the continent lies between us, it would
take considerable money to go there and to
come to it, so it is almost impossible just now.
I never like to say things in praise of my self.
But if any thing that I might say will be a help to others,
I would certainly say it. I am quite sure that my
career has been a successful one. There has always
been a demand for my work as a nurse. Even
after I had given up nursing. And the fact that
I am happily married to an educated gentleman
from Boston Mass. shows that I did not "go back
to the flannel". We have a fine home of our
own, all modern improved. And the pride
of that home, is our little daughter Elizabeth
named for one of Carlisle's most dear friends.

I shall always be a friend ^{shield} to Carlisle and her
people. and do what I can to help her with her
good work. Wishing you all success and happiness

I remain yours Truly

My dear friend,
your letter, and the beautiful picture were
both received at Christmas time, and
appreciated very much. Household duties and
other things, delayed my writing and thanking
you before this. But you will forgive me and
accept my thanks. The picture I shall have
framed as those are dear familiar grounds
to me, and it ^{will} hang in my living room,
where hangs a large photo of a dear familiar
face, much associated with those grounds.
That is the photo. of our dear school for then
Col Pratt, gave to me, by himself when I
graduated, in 1901. I prize it because, through
his kindness and good advice, I am where I am
today. My success and happiness, is all due to
what he did for me while I was at Corvallis.
So the two have a very warm place in
my heart, and I hope may of the present.

people will be able to say the same when
they are sent-out-to do for them selves
they will not fully appreciate it until
they are. and many do not even then.
But I fear they don't always meet with
happiness and success.

I also receive the Arrow for which I thank
also. I think you print the Red man or
Indian Helper. If you do, have a copy
sent, and I will send in my
subscription for same.

There has been a mistake in the spelling
of my name it is Coddling not Coddington.
Hoping to hear from you again.

Yours Respect.

We have ^{Dr. J. W. Mason} started a small Sunday School
in our school house. and are getting along
very successfully in a neighborhood where
the people come so little for church. nearly every
body comes. only the Catholics, and ~~there~~
~~a lot of~~ ~~it~~ ~~is~~ ~~not~~ ~~very~~. If you have any thing
that might help us in our school. we would
be glad to have it. you know we are a long
ways from such things. we get our lesson
quarterlies from New York. I have a class of
boys just the kind that you had in your school.
but we get along just beautifully. and look forward
to meeting them every Sunday.

settled place like this. We are much happier
in our own home. How we therefore
love to be able to visit on Sunday
with you once in a while.

I have been hoping that Mr. and Mrs. Edge
might take a trip up the coast by boat and
stop in at Cross Bay. Nothing would please
me more. It seems so strange to me that
Gilbert could be put in charge of the mill in
his father's absence. Does he still chum with
Walter Hunt? I can see him only in that light.
