My dear Mrs. Jenkins,-

It is my purpose before long to issue an outing number of the Arrow and Red Man. Among other facts concerning the outing, I want very much to publish some expression of the graduates and ex-students as to what the Carlisle outing has meant to them.

I understand you had some outing experience. Would you be willing to write me a letter telling of your outing experience, especially while you were taking your training at the Jefferson Hospital? If the outing has been of any special benefit to you in your life since you left the school, tell that also.

If you can do this, I will be glad to hear from you soon.

With my best wishes to you, I am

Very truly yours

Superintendent.

Dear Friend -

I just received

I rec'd your letter of Jan 13-09  
two months after date and  
you wanted an answer  
in a few <sup>weeks</sup> months and I  
thought that it was too  
late for your booklet, so  
did not bother about  
answering it.

I have been very busy
