Mr. M. Friedman,
Superintendent,
Carlisle, Pa.

My Dear Sir:-

I received your letter and the request from the Faculty and Graduating Class to be present at the Commencement Exercises.

I would certainly be present if my business would allow me.

Since I wrote to you last we have changed places, and I have also gone into business for myself.

I have a jewelry and variety store, and are doing a nice business.

I thank the Faculty
and Graduating Class
for the invitation.

Wishing the outgoing
class success in
every good thing they
may undertake to do.

I am,

yours very sincerely
J. Miller
